Mr. J.W.Hoffman,
Vice President
The Model Land Co.,
St Augustine, Florida.

Dear Mr. Hoffman:

I thank you for your letter of June 12th enclosing copy of Everglades Park law. I will have a representative at the meeting in Miami on June 27th, and regret that I cannot be present in person.

I talked with Mr. Klipstein of the Palgrove Company, the other day. You have doubtless heard from him that he will not have a representative at the meeting, but expects to attend a later meeting in New York.

Very truly yours,

Ivar Axelsson.
