SUBJECT: Everglades National Park -

Mr. J.W.Hoffman, Vice-President,
Model Land Co.,
Flagler System,
St. Augustine, Fla.

Dear Sir:-

I was glad to have your letter of May 28th and to note that ^{you are initiating} some cooperative effort is ~~contemplated~~ by the land owners in the Tropical Everglades National Park area.

~~Please let me know the time and place of the proposed meeting of land-owners. The nearer New York, the more convenient for me. Unless something now unforeseen~~

I shall be glad to attend the proposed meeting of land owners. (However I hope that it can be arranged for N. Y. City, or if not, then somewhere in northern Fla, if such an arrangement would prove satisfactory + practical to the other owners.

You have representatives in N. Y., the Palgrop Co is here; D. A. Mc Dougall, representing the Chavelier Corporation now lives in Washington, D.C., + I know 5 or 6 smaller owners here or in Washington, (Altogether representing over 300,000 acres) Mr. Coe, of the Park Assn is in Washington now, or he was a few days ago

(over)

However, I realize of course that the meeting place must be set to fit the convenience of the majority, & will come & send a representative wherever is decided upon it may prove necessary to have 2 meetings, one in Fla & one in N.H. to include all the land owners of any importance.

Kindly note my correct address as above.

Awaiting further word from you, I am

Very truly yours

Joan Axlson.
