There's Something for You in Royal Palm Nurseries

These are the COMPLETE nurseries of Florida* growing a wide variety of planting material. Among the trees, shrubs and plants they offer, these are particularly good:

Shade Trees

In many, many kinds, Hardy, half-hardy and tropical. Your home need not be barren and sunswept on all sides, even if you can't grow the trees that thrive at the north. Royal Palm Nurseries have what YOU want.

Yard Shrubs

Some economical and useful, others purely ornamental. All worth planting for the beauty and comfort they give as well as for the value they add to a property, cost little; quick growing; choice of many kinds.

Citrus Fruits

A leading Royal Palm specialty. Trees grown right and will keep on growing when transplanted. All best kinds of oranges, grapefruit, etc., including Foster, the new and only pink-fleshed grapefruit.

House Plants

The decorative plants that are native to tropical and semi-tropical climates, but which thrive all over the world when on porch or veranda in summer and are so beautiful indoors in winter even in cold sections.

Royal Palm Illustrated Catalog

Describes trees, shrubs and plants according to sections in which they will thrive and tells what to plant for every purpose. Free.
