

TABLE OF CONTENTS

		<u>Page</u>
	INTRODUCTION . . . . .	1
SECTION I	<u>THE LAND USE SURVEY</u> . . . . .	2
	Purpose . . . . .	2
	Scope . . . . .	2
	Application . . . . .	2
SECTION II	<u>PREPARATION FOR SURVEY</u> . . . . .	3
	Inventory of Existing Data . . . . .	3
	Classification System . . . . .	3
	Selection of Base Maps . . . . .	5
	Pilot Study . . . . .	6
SECTION III	<u>SURVEY METHODS AND TECHNIQUES</u> . . . . .	7
	Recording the Information . . . . .	7
	Residential . . . . .	7
	Industrial . . . . .	7
	Commercial - Tourist . . . . .	8
	Institutional, Parks and Recreation . . . . .	8
	Areas in Transition . . . . .	8
	Miscellaneous . . . . .	8
	Mapping the Information . . . . .	8
	One Inch to 300 Feet . . . . .	9
	One Inch to 2000 Feet . . . . .	11
	One Inch to One Mile . . . . .	11
	One Inch to Two Miles . . . . .	11
SECTION IV	<u>TABULATING AND PROCESSING THE SURVEY INFORMATION</u> . . . . .	14
	Purpose . . . . .	14
	Scope . . . . .	14
	Preparation for Tabulating Land Use . . . . .	14
	Step 1. Selection of Statistical Units . . . . .	14
	Step 2. Preparation of Tabulation Sheets . . . . .	15
	Step 3. Designation of Blocks . . . . .	15
	Step 4. Numbering of Blocks . . . . .	15
	Step 5. Determination of Method of Processing Data . . . . .	16
	Step 6. Formulation of a Land Use Code . . . . .	16
	Step 7. Design of a Uniform Source Document . . . . .	27
	Tabulating Land Use and Recording this Information on the Source Document . . . . .	29
	Stage 1. Block Identification (columns 1-19) . . . . .	29
	Stage 2. Land Use Identification (columns 20-21) . . . . .	31
	Stage 3. Recording Number of Dwelling Units, Rooms, and Establishments (columns 22-24) . . . . .	31
	Stage 4. Tabulating and Recording Acreage of Land Use (columns 25-28) . . . . .	33

TABLE OF CONTENTS (cont'd)

	<u>Page</u>
Stage 5. Recording Total Number of Blighted Dwelling Units or Establishments (columns 29-31) . . . . .	35
Stage 6. Recording Typical Residential Lot Sizes (columns 32-33) . . . . .	35
Stage 7. Recording Number of vacant Commercial Establishments (columns 32-33) . . . . .	35
Establishing Controls on Accuracy of Information Recorded on Source Documents, Punched on Cards and Processed . . . . .	37
Programming, Processing and Printing Land Use Information . . . . .	40
SECTION V <u>UPDATING THE LAND USE DATA</u> . . . . .	43
<u>ACKNOWLEDGMENTS</u> . . . . .	47
