Highway Improvement No. 33

Whereas, the City Council, by resolution, passed and adopted the 20 day of April 1916 ordered the Highway Improvement No. 33 District 33, and the City Engineer, under direction of the City Council, has prepared and filed with the City Clerk, plans and specifications of such improvement and an estimate of the cost thereof, including an estimate of the cost of the incidental expenses of said improvement, and whereas due notice by publication as required by the City Charter has been made that the City Council would on the 18 day of May 1916 at the City Hall, at 8 o'clock p. m., receive and hear the remonstrances of all interested persons to the confirmation of said resolution ordering said improvement, and all remonstrances received having been heard and considered by the City Council.

Therefore, Be It Resolved by the City Council of Miami, Florida, That the said Resolution of the City Council ordering said Highway Improvement No. 33, District 33, be and the same is hereby confirmed.

Be It Further Resolved, That the City Clerk cause to be published at least once in the Maine Herald and the Florida Metropolis a newspaper published in Jacksonville, Fla a newspaper of general circulation in Miami, Florida, a notice calling for sealed bids to be received by the City Council on the 15 day of June 1916, at 7:30 o'clock p. m., for the construction of the said work. Said notice shall state the improvement is to be constructed, and paid for in cash, under section 26 of the City Charter. Any bid covering work to be done under more than one resolution shall be in such form as to permit a separation to be made of the cost under each resolution. Each proposal must be accompanied by a certified check upon a bank or trust company of Florida in the amount of 2 1/2 per cent. of the amount of the bid, payable to the City of Miami, to insure the execution of a contract to carry out the work in accordance with the plans and specifications. All checks will be opened and award of contract made or all bids rejected. After an award has been made the checks of all bidders, other than the one to whom the contract has been awarded, shall be returned. In default of the entering into such contract, the certified check required to accompany such bid shall be forfeited to the City of Miami, Florida, not as a penalty, but as liquidated damages for the delay or addition cost which may be incurred by the City by reason of such default. No bid will be permitted to be withdrawn for any reason whatever after having been filed with the Clerk.

Separate sealed proposals for the construction of the following described improvements will be received by the City Council of the City of Miami, Florida, at the office of the City Clerk of said City until 7:30 o'clock p. m. on the 31st day of July 1916 which bids will be publicly opened and duly considered by the City Council at its regular meeting to be held on the 31st day of July 1916:

Broken stone pavement with bituminous surface of sand and oil, with concrete curb and gutter as specified, under Highway Improvements numbers 33 to 43 inc. and No. 48, approximate quantities being

90,870 yards broken stone pavement  
29,237 cu. yds. grading,  
85,000 gal. asphaltic oil  
10,900 lin. ft. curb and gutter  
5,160 lin. ft. concrete gutter

The city reserves the right to award contracts separately for the oil, for gutter and curb and gutter, and for dividing the construction of broken stone pavement and the grading and resurfacing of the old pavement into four separate contracts; contractor, however, being allowed to bid on one or more contracts with privilege of stating in his bid the percentage by which he will reduce the bid in case he is awarded more than one contract.

further described as Highway Improvements Nos 33 to 43 Districts 33 to 43 and more particularly described by the plans and specifications therefor on file in the office of the City Clerk.

Said improvement is to be constructed and payment therefor to be made in cash as provided in section 26 of the City Charter.

Each separate proposal must be accompanied by a certified check in the sum of 2½ per cent. of the amount of the bid, made payable to the City of Miami, Florida, to insure execution of the contract. After award of contract the checks of unsuccessful bidders will be returned. The City reserves the right to reject any and all bids.

Whereas, the City Council, by resolution, passed and adopted the 4 day of Nov. 1915 19 ordered the Highway Improvement No. 27 District 27, and the City Engineer, under direction of the City Council, has prepared and filed with the City Clerk, plans and specifications of such improvement and an estimate of the cost thereof, including an estimate of the cost of the incidental expenses of said improvement, and whereas due notice by publication as required by the City Charter has been made that the City Council would on the 11 day of Nov. 1915 19 at the City Hall, at 6 o'clock p. m., receive and hear the remonstrances of all interested persons to the confirmation of said resolution ordering said improvement, and all remonstrances received having been heard and considered by the City Council.

Therefore, Be It Resolved by the City Council of Miami, Florida, That the said Resolution of the City Council ordering said Highway Improvement No. 27, District 27, be and the same is hereby confirmed.

Be It Further Resolved, That the City Clerk cause to be published at least once in the Miami Herald and the Florida Metropolis of Jacksonville a newspaper of general circulation in Miami, Florida, a notice calling for sealed bids to be received by the City Council on the 23 day of Dec. 1915 1915, at 730 o'clock p. m., for the construction of the said work. Said notice shall state the improvement is to be constructed, and paid for in cash, under section 26 of the City Charter. Any bid covering work to be done under more than one resolution shall be in such form as to permit a separation to be made of the cost under each resolution. Each proposal must be accompanied by a certified check upon a bank or trust company of Florida in the amount of 2½ per cent. of the amount of the bid, payable to the City of Miami, to insure the execution of a contract to carry out the work in accordance with the plans and specifications. All checks will be opened and award of contract made or all bids rejected. After an award has been made the checks of all bidders, other than the one to whom the contract has been awarded, shall be returned. In default of the entering into such contract, the certified check required to accompany such bid shall be forfeited to the City of Miami, Florida, not as a penalty, but as liquidated damages for the delay or addition cost which may be incurred by the City by reason of such default. No bid will be permitted to be withdrawn for any reason whatever after having been filed with the Clerk.
