

BEACH EROSION CONTROL REPORT ON A COOPERATIVE
STUDY OF VIRGINIA AND BISCAYNE KEYS, FLORIDA

TABLE OF CONTENTS

<u>Subject</u>	<u>Paragraph</u>	<u>Page</u>
<u>I. INTRODUCTION</u>		
Syllabus-----	-	i
Authority-----	1	1
Scope and purpose-----	2	1
Prior reports and studies-----	4	2
<u>II. DESCRIPTION</u>		
General-----	5	2
Miami Harbor-----	8	3
Intracoastal Waterway-----	9	3
Shorefront property-----	10	3
a. General-----	-	3
b. Virginia Key-----	-	3
c. Key Biscayne-----	-	4
Privately owned shore property-----	11	4
Access to beaches by the public-----	12	4
Water pollution-----	14	4
Statement of problem and improvements desired-----	15	4
a. Virginia Key-----	-	4
b. Key Biscayne-----	-	4
c. Improvements desired-----	-	5
<u>III. FACTORS PERTINENT TO THE PROBLEM</u>		
Geology-----	17	5
Littoral materials-----	20	5
Littoral forces-----	22	6
a. Winds-----	-	6
b. Swells and waves-----	-	7
c. Tides and currents-----	-	7
Storms and their effects-----	23	8
a. General-----	-	8
b. Specific storms-----	-	8
Shoreline changes-----	24	9
Offshore depth changes-----	26	10
Prior corrective action-----	27	10
Existing structures-----	28	10
a. Virginia Key-----	-	10
b. Key Biscayne-----	-	10

TABLE OF CONTENTS--Continued

<u>Subject</u>	<u>Paragraph</u>	<u>Page</u>
Beach profiles-----	29	11
Volumetric accretion and erosion-----	30	11

IV. ANALYSIS OF THE PROBLEM

Shore processes-----	31	12
a. General-----	-	12
b. Virginia Key-----	-	12
c. Key Biscayne-----	-	12
Design criteria-----	32	13

V. PLAN OF IMPROVEMENT

General-----	33	13
Virginia Key-----	34	14
Key Biscayne-----	35	14

VI. ECONOMIC ANALYSIS

Estimates of first costs-----	37	15
Estimates of annual costs-----	38	15
Estimates of benefits-----	39	17
Justification of improvements-----	40	19
Apportionment of costs-----	41	19
Coordination with other agencies-----	42	20
Supplemental report-----	43	21

VII. CONCLUSIONS

Conclusions-----	44	21
------------------	----	----

VIII. RECOMMENDATIONS

Recommendations-----	45	22
----------------------	----	----

LIST OF TABLES

<u>Title</u>	<u>Table</u>	<u>Page</u>
Estimated first costs-----	1	16
Estimated annual costs-----	2	17
Summary of benefits-----	33	18
Apportionment of first costs and annual costs-----	4	20

TABLE OF CONTENTS--Continued

LIST OF PLATES
(Plates follow text)

<u>Title</u>	<u>Plate</u>
Hurricane, wind, and swell diagrams-----	1
Shoreline and offshore depth changes-----	2-4
Plan of improvement-----	5

LIST OF APPENDIXES

<u>Title</u>	<u>Appendix</u>
Sand-sample and source-of-material tests-----	A
Shoreline and offshore changes-----	B
Estimates of benefits-----	C
Estimates of costs-----	D
Report of United States Fish and Wildlife Service-----	E

SUPPLEMENT

<u>Title</u>	<u>Supplement</u>
Supplemental report in response to Senate Resolution 148, 85th Congress, 1st sess.-----	1
