IMPROVEMENT RESOLUTION No. 423 B

BE IT RESOLVED by the City Council of Miami, Florida, that it is desired and deemed necessary to construct, lay and install

Laying, installing and constructing on Johnson Street, beginning at Tatum Avenue and extending westwardly approximately 300 feet, an eight inch vitrified pipe sewer.

as shown in the plans for said improvement and in accordance with the plans, details, profiles, drawings and specifications of the City Engineer, approved and adopted at a meeting of this body, held on October 5th 1914, by

Resolution No. 423-A, the same being hereby, by reference to said resolution, incorporated herein and made a part hereof, and said improvement is now ordered.

TWO-THIRDS of the total cost of laying an eight inch sewer for the above improvement is to be paid by special assessment to be levied upon the property specially benefited thereby, and the remaining one-third of the total cost of laying an eight inch sewer for the above improvement, and the entire cost of such improvement at the intersection of streets or alleys, is to be paid by the City of Miami.

BE IT FURTHER RESOLVED that the City Clerk be, and is hereby directed, to advertise for bids for the improvements above described, by the insertion of a notice one time in a daily newspaper published in the City of Miami, Florida, of bids to be received on October 15th 1914, until five o'clock P. M. Such advertisement shall state that the City reserves the right to reject any and all bids; ~~that the contract for the improvement shall provide for the guaranty for the period of five years of the proper completion of the contract and that payment of the cost will be made from time to time to the amount of eighty per centum of estimates of the City Engineer of the amount of work done, in cash or in certificates of indebtedness of the City of Miami, payable from assessments to be hereafter levied, which certificates of indebtedness the city covenants to pay in cash or to fund at par within sixty days after the improvement shall have been completed and accepted, by special improvement bonds, authorized by Section 32 of the City Charter, constituting a lien upon the property abutting said improvements.~~ Such advertisement may provide the condition of deposit and bidding, which shall be as follows:

Each proposal must be accompanied by a certified check in the sum of 5 per cent of the amount of the bid, made payable to the City of Miami and certified by a reputable banking institution as assurance that within ~~ten~~ five days after notice of award of contract contemplated in the proposal, the successful bidder will enter such contract and file a bond for the proper performance of the same.

All certified checks will be retained by the City Clerk as property of the bidder until bids are opened and award of contract made or all bids rejected. After an award has been made the checks of all bidders, other than the one to whom said contract is awarded, shall be returned.

The bond required shall be in ~~the sum of the nearest even one hundred dollars to 25 per cent~~ an amount equal to 100% of the amount bid, and shall be made by some surety company acceptable to the City of Miami, Florida.

In default of the entering into such contract and the execution of such bond, the certified check required to accompany such bid shall be forfeited to the City of Miami, Florida, not as a penalty, but as liquidated damages for the delay or additional cost which may be incurred by the city by reason of such default.

No bid will be permitted to be withdrawn for any reason whatever after having been filed with the Clerk.

IMPROVEMENT RESOLUTION No. 449-3

WHEREAS, the City Council of the City of Miami, Florida, met on the 17 day of June, 1915, pursuant to due notice of said meeting, under Sections 28 and 32 of the City Charter, to hear all complaints which the owner or owners or other persons interested in the improvement of the

laying, constructing and installing on Avenue J, beginning at 4th St and extending northwardly to 2nd St. an eight inch vitrified pipe sewer, approximate distance 700 feet.

might desire to make against the cost of such improvement, as authorized by Improvement Resolution No. 449-B adopted by the City Council on the 5th day of October, 1914, 19    ; and

WHEREAS, said City Council, having heard the owner or owners and all other persons interested who appeared, and having received and considered all remonstrances and complaints from owners of property or other persons interested therein against the cost of such improvement and the amounts assessed against the respective properties as set forth in the certificate or primary or prima facie assessment roll of the City Engineer, certified by the City Council; therefore,

BE IT RESOLVED, that said certificate, primary or prima facie assessment roll as prepared and certified by the City Engineer on the 7th day of June, 1915, and filed with the Clerk of said City for identification on the 7th day of June, 1915, be, and is hereby confirmed in all things, as heretofore approved (or for modification) as follows:

The assessment against lot     , block     , is hereby reduced to \$     .

The assessment against lot     , block     , is hereby reduced to \$     .

BE IT FURTHER RESOLVED, that the sum and amounts against each of the lots, tracts of land or parcels of ground described in said assessment roll (as herein modified) is less than the amount that each of said lots, tracts of land or parcels of ground is benefited by said improvement; and that the proportion of said cost to be paid by said City of Miami on account of street and alley intersections is the sum set opposite to the same therein.

The actual cost for the construction of said improvement in the sum of \$ 534.10

is hereby approved and confirmed.

BE IT FURTHER RESOLVED, that said final assessment roll, as certified by this Council, be retained by the City Clerk, who is hereby ordered to make collections of the assessments thereon as required by law.

Passed and adopted this      day of JUN 17 1915, 19    .
