THE EMPLOYERS'

FIRE INSURANCE

- COMPANY -

BOSTON, MASSACHUSETTS

CONDITIONS AND PROVISIONS REFERRED TO IN, AND MADE A PART OF, THIS FORM

Clause B—Co-Insurance Clause—(Applies to Tornado and Windstorm coverage only)—It is a part of the consideration of this policy, and the basis upon which the rate of premium is fixed, that the assured shall at all times maintain tornado insurance on each item of the property insured by this policy, of not less than 50% (or such higher percentage as may be agreed upon and accepted in above paragraph referring thereto, in consideration of which a reduction in premium has been allowed) of the actual cash value thereof and that, failing so to do, the Assured shall be an insurer to the extent of such deficit and in that event shall bear his, her or their proportion of any loss.

In the event that an aggregate claim for any loss is less than Ten Thousand Dollars (\$10,000) (provided, however, such amount does not exceed five per cent (5%) of the total amount of insurance upon the property described herein and in force at the time such loss occurs) no special inventory or appraisal of the undamaged property shall be required. If this policy be divided into two or more items, the foregoing conditions shall apply to each item separately.

IMPORTANT NOTICE: In case of partial loss, the actual cash value of the property so insured at the time of the loss shall be the basis for determining the proper amount of such co-insurance and the amount of the loss regardless of the insurable value stated in the policy of any building insured hereunder and not withstanding any previous valuation of such building.

The insured should see that the amount of insurance carried is equal to the stipulated percentage of actual cash value to avoid the insured being a contributor under this policy in the event of a partial loss.

Clause D—Lightning and Electrical Apparatus Clause (Applies to Fire Coverage only)—This policy covers any direct loss or damage caused by lightning (meaning thereby the commonly accepted use of the term "lightning," and in no case to include loss or damage by cyclone, tornado or windstorm), not exceeding the sum insured, nor the interest of the insured in the property, and subject in all other respects to the terms and conditions of this policy, it being a condition of this contract that if dynamos, exciters, lamps, motors, switches or other electrical appliances or devices are covered by this policy, this Company will not be liable for any electrical injury or disturbance, whether from artificial or natural causes, unless fire ensues, and then only for such loss or damage to them as may be caused by such ensuing fire. It is also a condition of this contract that, if there be any other insurance on said property, this Company will be liable only pro rata with such other insurance for any direct loss by lightning, whether such other insurance be against direct loss by lightning or not.

Civil Authority Clause (Applies to Fire Coverage Only)—This policy is extended to insure against direct loss and damage to the described property caused by acts of destruction executed by duly constituted civil authority at the time of and only during a conflagration when necessary for the purpose of retarding the same, subject, however, to all other terms and conditions of the policy.

The following Permits and Agreements are applicable to both fire and tornado insurance:

If the building hereby insured is occupied by tenants, this insurance shall also cover under the building items, if the property of owner of building and not otherwise insured, floor coverings, mirrors, stoves, refrigerators, cleaning apparatus, hose and other fire extinguishing appliances, fuel, janitor's tools and implements while in use, all constituting a part of the equipment and service of the building and only while contained in, or attached to, the above described building.

Not exceeding ten (10) per cent of the amount of any item of this policy on personal property shall cover also, as per above form, property of guest and servants; loss, if any, to be adjusted with and payable to the insured named in this policy.

Standard Time Clause—It is understood and agreed that the word "noon" as used herein, in designating the beginning and ending of the term of insurance, refers to Standard Time at the place where the property is located.

Mechanics Permit—If the buildings insured hereunder are in course of construction, this policy covers also all lumber and materials used and to be used in same, while on premises, and privilege is granted to complete. Privilege granted for mechanics to make alterations and repairs.

Work and Materials—Permission granted for such use of the premises as is usual and incidental to the occupancy as described herein, and to keep and use all articles and materials usual and incidental to such occupancy in such quantities as the exigencies of the occupancy require.

Mortgagee Clause With Full Contribution—Loss or damage, if any, under this policy, shall be payable to the mortgagee (or trustee) as provided herein, as interest may appear, and this insurance, as to the interest of the mortgagee (or trustee) only therein, shall not be invalidated by any act or neglect of the mortgagor or owner of the within described property, nor by any foreclosure or other proceedings or notice of sale relating to the property, nor by any change in the title or ownership of the property, nor by the occupation of the premises for purposes more hazardous than are permitted by this policy; Provided, That in case the mortgagor or owner shall neglect to pay any premium due under this policy, the mortgagee (or trustee) shall, on demand, pay the same.

Provided also, That the mortgagee (or trustee) shall notify this Company of any change of ownership or occupancy or increase of hazard, which shall come to the knowledge of said mortgagee (or trustee) and, unless permitted by this policy, it shall be noted thereon, and the mortgagee (or trustee) shall, on demand, pay the premium for such increased hazard for the term of the use thereof; otherwise this policy shall be null and void.

This Company reserves the right to cancel this policy at any time as provided by its terms, but, in such case this policy shall continue in force for the benefit only of the mortgagee (or trustee) for ten days after notice to the mortgagee (or trustee) of such cancellation, and shall then cease, and this Company shall have the right, on like notice, to cancel this agreement.

In case of any other insurance upon the within described property, this Company shall not be liable under this policy for a greater proportion of any loss or damage sustained than the sum hereby insured bears to the whole amount of insurance on said property, issued to or held by any party or parties having an insurable interest therein, whether as owner, mortgagee or otherwise.

Whenever this Company shall pay the mortgagee (or trustee) any sum for loss or damage under this policy and shall claim that, as to the mortgagor or owners, no liability therefor existed, this Company shall, to the extent of such payment, be thereupon legally subrogated to all the rights of the party to whom such payment shall be made, under all securities held as collateral to the mortgage debt, or may at its option pay to the mortgagee (or trustee) the whole principal due or to grow due on the mortgage with interest, and shall thereupon receive a full assignment and transfer of the mortgage and of all such other securities; but no subrogation shall impair the right of the mortgagee (or trustee) to recover the full amount of his, her or their claim.

It is understood and agreed that this clause does not apply to personal property.

(Fla.—126.)

This Policy is made and accepted subject to the foregoing stipulations and conditions, and to the following stipulations and conditions printed on back hereof, which are hereby specially referred to and made a part of this Policy, together with such other provisions, agreements or conditions as may be endorsed hereon or added hereto; and no officer, agent or other representative of this Company shall have power to waive any provision or condition of this Policy except such as by the terms of this Policy may be the subject of agreement endorsed hereon or added hereto; and as to such provisions and conditions no officer, agent, or representative shall have such power or be deemed or held to have waived such provisions or conditions unless such waiver, if any, shall be written upon or attached hereto, nor shall any privilege or permission affecting the insurance under this Policy exist or be claimed by the insured unless so written or attached.

Provisions required by law to be stated in this policy.—This policy is in a stock corporation.
