INSTRUCTIONS FOR USE OF PREMIUM RECEIPT BOOK

The enclosed Premium Receipt Book has been designed to reduce the cost of postage and handling, and to provide a complete record of premium payments for the policyholder. Please note, space is provided for recording your payments for a period of 10 years. This will do away with the individual receipt issued for each single payment.

Be sure to send in the Premium Receipt Book with every payment you make. Payments will be recorded in your book the same day received at the Home Office. Your Receipt Book will be returned to you from 10 to 15 days before your next payment becomes due.

Examine your Receipt every month to see if proper credit has been given and return it with your next payment. Repeat this process with each payment. If your book becomes lost or destroyed the company will promptly issue a duplicate showing all payments of record.
