Introduction	1
Purpose of Study	1
Acknowledgements	2
<u>Social and Economic Profile</u>	
Social Characteristics	3
Population	3
Age	3
Household Composition	4
Education	4
Mobility	4
Economic Characteristics	4
Income	4
Transportation	5
Labor Force Characteristics	5
Employment by Industry	6
Housing Characteristics	7
Tenure and Vacancy	7
Type of Housing	7
Age of Housing	7
Housing Condition	7
Overcrowding	8
Cost of Housing	8
Crime	9
<u>Existing Conditions</u>	
Land Use	10
Single Family Residential Land Use	10
Multiple Family Residential Land Use	10
Commercial Land Use	11
Zoning History	12
Community Facilities	13
Educational Facilities	13
Fire Stations	13
Parks and Recreation	14
Traffic, Transportation and Circulation	14
Bus Service	18
Rapid Transit Proposals	19
Street System	19
Street Lighting	20
Storm and Sanitary Sewer Systems	21
Storm Drainage	21
Sanitary Sewer System	21
Special Environmental Considerations	22
Existing Canals	22
Water Quality	22
Community Attitudes	23
