Re: #7668 400

We have received from the Miami Office remittance of \$25.00 to apply on premium due June 5 on your policy above numbered. Upon return of the enclosed note, signed by you, balance premium will be extended to August 5.

There will be sufficient loan value in policy to take care of the note when due on August 5.

Please return the note to us by the 15th. Receipt covering the amount deposited will then be sent to you.

Yours very truly,
I.F.Roney, Cashier
