CAUTION

Pay no money in advance to Internet Directory Companies. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before sending an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our readers have strict orders not to make advance payments for either advertising or subscriptions.

Out of Sight--Out of Mind

☆ Out of Business ☆

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*
