It takes 2 hours, 20 minutes to get from New York to Miami by check.

And it takes another 25 minutes to get from the airport to our bank (by armored car, of course).

Your checks never wander the streets of Miami. They rarely see the Post Office. And we meet all airline flights, 320 of them. Checks that arrive before 10 pm receive the same fast clearing as checks that arrive at 10 am. (We're open 24 hours a day.)

We've cleared as many as 827,000 checks in a 24-hour

period (and we're told we can go even higher). In most instances a check received by 8 pm will be processed and delivered to principal cities across the nation for clearing and presentation the following day.

This fast, First National Bank of Miami 24-hour-a-day check clearing (unique in the South) is one reason 7,098 businesses have their accounts with us.

Do you?

OF DADE COUNTY

Added convenience banking for more of Dade County.

With the recent affiliation of Pan American Bank of Miami and Bank of Dade County, it seems fitting that this be signified with a close relationship in name. One immediate advantage is the extension of Pan American Bank facilities in north Dade County. The addition of a TRUST DEPARTMENT and FOREIGN TRADE DEVELOPMENT SERVICES at Pan American Bank of Dade County for the convenience of north Dade's rapidly growing population and business firms is of major benefit and a further stimulus to the area's growth.

You are invited to make use of our complete banking services... at both banks... now expanded to fulfill the financial and community needs of two major areas.

Study all directory advertising invoices carefully

Business and Classified Directory publishers under various names have flooded our mails for several years with solicitations resembling City Directory invoices. Most such solicitations state that they are not invoices, but nevertheless business people frequently overlook this and process them for payment.

What seems like an invoice may really be a carefully worded proposal for service—of an indefinite nature—and questionable value—to be rendered in the future, *if you pay in advance*. If in doubt, check with your local Better Business Bureau, or your established City Directory publisher.

Before you invest, investigate!
