

West Africa Water Supply, Sanitation and Hygiene Program (USAID WA-WASH)

GLOBAL DEVELOPMENT ALLIANCES AND PARTNERSHIPS OVERVIEW

Global Development Alliances and Partnerships (GDA/P) stem from the objective of the USAID WA-WASH Program to strengthen the regional enabling environment to achieve WASH Millennium Development Goals in West Africa.

GDA/PARTNERSHIPS GOAL AND OBJECTIVE

The main goal of USAID WA-WASH's GDA/Partnerships program is to support development in the beneficiary communities through goodwill actions.

The objective of the GDA/Partnerships Program is to create, develop and maintain a working partnership between USAID and the public and private sectors in order to solve economic development problems for the benefit of local communities.

GDA/PARTNERSHIPS APPROACH

Our approach consists of:

- Engaging public and private sector actors
- Conducting stakeholder and situational assessments
- Identifying potential partners
- Attracting funding by leveraging program funds
- Implementing a win-win collaboration
- Providing M&E support

GDA/PARTNERSHIPS ACHIEVEMENTS

- ◆ GDA/P assessments and analyses completed for Burkina Faso, Ghana and Niger
