

## The Historical Marker Program

One historical marker has been prepared and dedicated by the Historical Association of Southern Florida since those reported in the 1953 *Tequesta*.

Of the same design originally adopted when the marker program was begun in 1952, the roadside marker was erected for the Association by the Park Department of the City of Miami Beach in North Shore Park on the ocean at 72nd Street and Collins Avenue, on the site of the Biscayne House of Refuge. Dedication was Sunday, March 7, 1954.

The principal address was delivered by Captain S. P. Swicegood, Commander of the Seventh Coast Guard District. Mayor Harold Shapiro of Miami Beach accepted the marked for the city, after it was unveiled by Adam G. Adams, President of the Historical Association of Southern Florida, and E. M. Hancock, president of the Miami Beach Pioneers. Oliver Griswold, Chairman of the Association's Historical Sites and Markers Committee, was master of ceremonies.

The Coast Guard Auxiliary executed an impressive demonstration of an air-sea rescue operation by hoisting a simulated injured person into a helicopter hovering over a boat anchored off the beach.

The Miami Beach High School Band provided music for the ceremony. The Coast Guard exhibited life-saving equipment.

### BISCAYNE HOUSE OF REFUGE

Here stood the Biscayne House of Refuge to save survivors of shipwrecks from the perils of the wilderness shore. After every storm, the keeper of the refuge and his family searched the beach for castaways to furnish them food, clothing and shelter, and a safe return to civilization.

Established in 1876, by the Life Saving Service, a predecessor of the U. S. Coast Guard, the refuge remained 'Semper Paratus' until modern settlement replaced the lonely jungle.

Other houses of refuge built the same year on the then desolate coast at Ft. Lauderdale, Orange Grove (Delray Beach), Gilbert's Bar (Stuart), and Indian River Inlet (Ft. Pierce).

## Contributors

JAMES W. COVINGTON is professor of History at the University of Tampa. For his Ph.D. program he specialized in the study of the American Indian at Oklahoma University. Logically enough, since he has lived in Tampa he has been studying the Florida Indians.

JACK P. DALTON was born in Alabama, studied at Stetson University, and the Southern Baptist Theological Seminary and did his graduate study at the University of Florida. The topic of his doctoral dissertation was "A History of Florida Baptists". Chaplain Major Dalton was recalled to active military service, served for a time in Japan, and is now stationed in Utah.

DOROTHY DODD is Librarian of the State Library at Tallahassee. She has been a regular contributor of articles on Florida History in the *Florida Historical Quarterly* as well as *Tequesta*. See *Tequesta* number VIII, 1948 for her "Jacob Housman of Indian Key".

GEORGE C. OSBORN is Associate Professor of Social Sciences at the University of Florida. He has done research and directed student studies in southern history and Florida history. Co-author Dalton's doctoral dissertation was done under his direction. Dr. Osborn's latest publication is *John Sharpe Williams*, a biography published by the Louisiana State University Press.

AMES W. WILLIAMS is an attorney in the offices of the Federal Trade Commission, Washington, D. C. His avocation is history. He is the author of *Stephen Crane: War Correspondent*, and of numerous articles dealing chiefly with the Civil War and the War of 1898. He is co-author with Vincent Starret of *Stephen Crane: A Bibliography*.

F. PAGE WILSON writes again of the Miami with which he has grown up. He loves his city and feels that he understands her. When he is critical he is chiding her for not living up to his hopes and expectations for her. See *Tequesta* Number XII, "We Chose the Sub-Tropics".

## LIST OF MEMBERS

EXPLANATORY NOTE: *The Society provides several classes of membership. Regular or "Annual" members at three dollars a year make up the great majority of the list. For those who wish to contribute more for the promotion of the Association's work, the other classes of membership provide the opportunity, and the publication of their names in the proper category of membership is a means of recognition. "Sustaining" members pay five dollars a year, "Patrons" pay ten dollars a year, "Donors" pay twenty-five dollars a year, "Contributors" pay fifty dollars a year, "Sponsors" pay one hundred dollars a year, and "Benefactors" contribute two hundred and fifty dollars or more a year.*

*This printed roster is made up of the names of those persons and institutions that have paid dues in 1953 or in 1954 before September first, when this material must go to press. Those joining after this date in 1954 will have their names included in the 1955 roster. The symbol \*\* indicates founding member and the symbol \* indicates charter member.*
