RUBY LEACH CARSON has been writing about the Miami scene since she came here as a reporter in 1916. The study of Florida History at the University of Florida earned for her a Master of Arts degree, her thesis topic being a study of Governor Bloxham. See *Tequesta*, XV, 1955, for her "Forty Years of Miami Beach."

HAROLD W. DORN, a resident of the area since 1910, knows well the people and activities of which he writes, being a fruit grower and broker, with an interest in history which he pursues wherever his work or vacation happens to take him.

FRANK B. SESSA is Director of Libraries for the City of Miami. His graduate degrees are in history and he was for a time a member of the history staff at the University of Miami. He has made a special study of Miami in the booming twenties.

WILLIAM C. STURTEVANT has been studying the Florida Seminole for a number of years, and his writings have appeared in the *Florida Historical Quarterly*, *The Florida Anthropologist*, and *Tequesta* (1953). He is currently working in the Bureau of American Ethnology at the Smithsonian Institution and hopes to get back to Florida to do some more work with the Seminoles.

EXPLANATORY NOTE: *The Association provides several classes of membership. "Sustaining" members who pay five dollars a year make up the basic membership. For those who wish to contribute more for the promotion of the Association's work the other classes of membership provide the opportunity, and the publication of their names in the proper category of membership is a means of recognition. "Patrons" pay ten dollars a year, "Donors" pay twenty-five dollars a year, "Contributors" pay fifty dollars a year, "Sponsors" pay one hundred dollars a year, and "Benefactors" pay two hundred and fifty or more dollars a year.*

Those joining after this date in 1956 will have their names included in the 1957 roster. The symbol ** indicates founding member and the symbol * indicates charter member.*
