The Association's Historical Marker Program

On Saturday, February 26, 1966 at three o'clock in the afternoon, at Clinton Square, intersection of Whitehead, Greene and Front Streets in Key West, citizens and officials of Key West and Monroe County joined a delegation of officers and members of the Historical Association of Southern Florida to dedicate a marker at the homesite of Stephen R. Mallory. Colonel Mitchell D. Wolfson, a native son of Key West, delivered the dedication address. Colonel Wolfson and Admiral T. A. Christopher U.S.N., Commander Key West Force, unveiled the marker which reads:

MALLORY HOMESITE

The home of Stephen Russell Mallory (1812-1873) stood near this site from 1839 to 1895 when it became U.S. Navy property. U.S. Senator from Florida from 1851 to 1861 and Chairman of the Naval Affairs Committee after 1853. As Secretary of the Navy in the Confederate States cabinet (1861-1865) he pioneered the use of submarines and ironclad warships in naval warfare. A son, Stephen R. Mallory, Jr. grew up in and later owned this house and also represented Florida in the United States Senate (1897-1908).

For those who wish to contribute more for the promotion of the Association's work the other classes of membership provide the opportunity, and the publication of their names in the proper category of membership is a means of recognition. "Patrons" pay ten dollars a year, "Donors" pay twenty-five dollars a year, "Contributors" pay fifty dollars a year, "Sponsors" pay one hundred dollars a year, and "Benefactors" pay two hundred and fifty or more dollars a year.*

*This printed roster is made up of the names of those persons and institutions that have paid dues in 1965, or in 1966 before September 30 when this material must go to the press. Those joining after this date in 1966 will have their names included in the 1967 roster. The symbol ** indicates founding member and the symbol * indicates charter member.*
