## LIST OF MEMBERS

EXPLANATORY NOTE: The Association provides several classes of membership. "Sustaining" members who pay ten dollars a year make up the basic membership. For those who wish to contribute more for the promotion of the work of the Association other classes of membership provide the opportunity, and the publication of their names in the appropriate category of membership is a means of recognition. "Patrons" pay fifteen dollars a year, "Donors" twenty-five, "Contributors" fifty, "Sponsors" one hundred, and "Benefactors" two hundred and fifty or more.

This printed roster is made up of the names of those persons and institutions that have paid dues since September 1, 1967. Those joining after September 30, 1968 will have their names in the 1969 roster. The symbol \*\* indicates founding member and the symbol \* indicates charter member.
