

LIST OF MEMBERS

Explanatory Note: The Association provides several classes of membership. "Sustaining" members who pay ten dollars a year make up the basic membership. For those who wish to contribute more for the promotion of the work of the Association other classes of membership provide the opportunity, and the publication of their names in the appropriate category of membership is a means of recognition. "Patrons" pay fifteen dollars a year, "Donors" twenty-five, "Contributors" fifty, "Sponsors" one hundred, and "Benefactors" two hundred and fifty or more. Honorary Life Memberships are voted by the Board of Directors to recognize special services to the Association.

This printed roster is made up of the names of those persons and institutions that have paid dues since September 30, 1971. Those joining after September 30, 1972 will have their names in the 1973 roster. The symbol ** indicates founding member and the symbol * indicates charter member.
