

LIST OF MEMBERS

Members of the Historical Association of Southern Florida enjoy the ongoing program of the Association, the special events, meetings, program series and publications: the quarterly *Update*, calender of events, and director's letter; and the annual *Tequesta*. They have the use of the research library and the archives located in the Historical Museum.

Membership revenues benefit the public service and educational programs and projects of the Association.

The roster below is made up of the names of those persons and institutions that have paid dues since September 30, 1980. Those joining after September 30, 1981 will have their names on the 1982 roster.

The following code designates categories of membership: "Individual" (I) pays twenty dollars per year; "Family" (F), twenty-five; "Donor" (D), fifty; "Sponsor" (S), one hundred; "Fellow" (Fw), five hundred; "Corporate" (C), five hundred; "Institutional Subscriber" (IS), twenty; "Life" (L), one thousand. Honorary Life Membership (HL) is voted by the Board of Trustees to recognize special service to the Association. The symbol** indicates Founding Member; the symbol* indicates Charter Member.
