**Re: Request for Information on Historic Designation**

Dear Mr. & Mrs. Harke:

Thank you for your request for information about historic designation in Miami Shores.

For your convenience, the Historic Preservation Board has prepared an outline (enclosed) of the most frequently asked questions about historic designation. It is based primarily upon the Miami Shores Village Preservation Ordinance (also enclosed). Relevant state and federal law is briefly addressed as well. The outline will provide you with all the general information you should need with respect to the eligibility of your property under the local preservation ordinance and the applicable procedures to be followed to obtain designation.

To further assist you, I also enclose the following forms and guidelines:

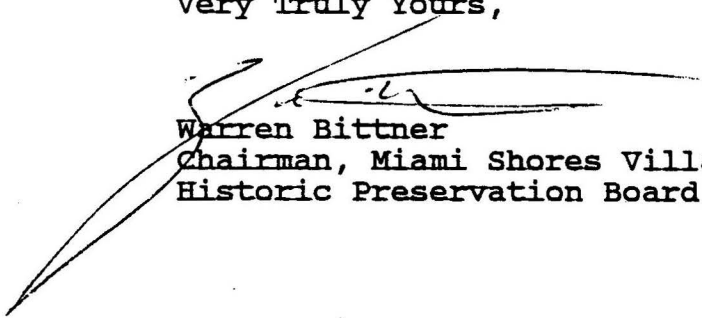

- (1). Request for Nomination for Landmark Designation Form;
- (2). Guidelines for Designation;
- (3). Historical Landmark Covenant Form;
- (4). Application for a Certificate of Appropriateness Form;
- (5). Guidelines for Granting a Certificate of Appropriateness.

Should you require further information, or have a specific question not covered by the outline, please do not hesitate to contact me. My telephone number is 754-3188.
