Chairman, Historic Preservation Board

Re: Designation of Miami Shores Historic Landmark
136 N.E. 101st St., Miami Shores, FL

Date: August 6, 1997

At its meeting of July 28, 1997, the Historic Preservation Board passed a motion under section 11 1/2-5 (b)(4) of the Miami Shores Village Code to recommend that the Village Council designate the property at 136 N.E. 101st Street, owned by Thomas D. Wilson, Jr., as an historic Landmark.

This nomination was initiated by the property owner himself under section 11 1/2-5 (b)(1) of the Code, and was supported by available historic documentation (See Request for Nomination for Landmark Designation attached). The Board analyzed the general criteria for determination of structures for designation as historical landmarks found in section 11 1/2-3 of the Village Code, and found that at least two (2) of the four (4) criteria had been easily satisfied, i.e., subsections (1) and (3).

Subsection (1): *Associated with events that have made a significant contribution to the broad patterns of our history* - This home was one of the select few constructed by the Shoreland Company, the initial developers of Miami Shores, during the real estate boon era of the late 1920's.

Subsection (3): *Embody the distinctive characteristics of a type, period or method of construction* - This home is a good example of Mediterranean architecture applied to a small home. Noteworthy features include shaped masonry buttressing on the porch wall, some original historic Cuban tile intact on a rear parapet wall detail, and wood casement windows.

The owner of the property has consented to the designation, and has submitted a fully executed Historical Landmark Covenant (a covenant to run with the land), which must be recorded by the Village in the public records of Metropolitan Dade County, if the Council

accepts the Board's recommendation and approves the designation, under section 11 1/2-5(b)(5).

The Historic Preservation Board would appreciate your placing this item on the Village Council's next agenda so that a spokesman for the Board may address the issue and formally present the Board's recommendation.

A proposed Resolution is attached in the event it is acceptable to the Council.

Police Chief Retires After 31 Years of Service

A Farewell Letter to the Residents of Miami Shores Village

At the end of this month, I leave Miami Shores Village to begin my retirement. I had the pleasure, honor and professional privilege of having worked in Miami Shores for the last 31 years--9 years as its Chief of Police.

I began my career with this Village in 1960 as a volunteer fireman. In 1962, Chief Senneff appointed me as a reserve police officer, with a dream of one day becoming a full time officer. A minor interruption occurred in 1963; I was drafted into the U.S. Army. My dream came true upon my return when Chief Senneff hired me as a patrolman on October 1, 1966. I rose through the ranks as a patrolman, detective, sergeant, lieutenant, and was appointed Chief of Police on October 1, 1988.

It has been a wonderful journey for me and I have enjoyed every minute of my tenure with Miami Shores. After 31 years of service, I still look forward to serving the citizens of Miami Shores. I have developed a strong bond with this Village and my service has always been a labor of love.

It is now time for me to bid you farewell as my journey in Miami Shores is complete. The Miami Shores Police Department has the finest and most dedicated professional men and women in law enforcement. It has been an honor for me to have served you and to have led all these wonderful people as Chief of Police.

The rich traditions of honesty, dedication, and the desire to serve this community by all of the past and present members of the Miami Shores Police Department is the legacy that I am most proud of being a part of.

I thank you for your continued support throughout my career and I wish you the very best. May this wonderful place always prosper as the "Village Beautiful" for which it truly is.

Miami Shores Elementary Students Pass the Test on Red Ribbon Day: Say No To Drugs

Last month, over two thousand students from Miami Shores Elementary School participated in a march against drugs, in celebration of the annual Red Ribbon Day.

The students -- from Kindergarten to 5th grade -- were led by the Horace Mann Community Middle School Band. Each class was identified by a banner created by the students, as a symbol of their stand against drugs.

The parade took the students from the elementary school to the Miami Shores Recreation Field where they were greeted by Mayor Mary Ross Agosta, Police Chief Michael Zoovas and DARE Officer Mike Rivera.

"In order to combat the problem of drug use, we must send a clear message to students of all ages that drug use is not acceptable behavior", said Mayor Agosta. "It is a great feeling to know that these youngsters are on the road to becoming responsible citizens."

Red Ribbon Day is just one example of the many national events which take place every year to promote awareness and recognition about the struggle for a drug-free environment.

Over two thousand K-5 students filled the athletic fields on Red Ribbon Day

Mrs. Brady's first grade class eagerly displayed their banner, "Brady Bunch Says No To Drugs."
