Dear Mrs. Jennings:

Your letter of the 6th received, enclosing copies of letter to Mr. Coe, Mr. Axleroad, Mr. Cammerer, the Governor, and members of the Park Commission.

I have wired the Governor that I will be in Tallahassee on Friday. If the train is on time I will arrive in Tallahassee at 11:35, but if I miss the connection will arrive there at 4:00 P. M.

Have sent wires to Mr. Shares and Mr. Dominick, as they are both out of town.

Very truly yours,

TJP/kj
