Mrs. W. S. Jennings
702 South Monroe Street
Tallahassee, Florida

Dear Mrs. Jennings:

This acknowledges your telegram to me of June 1st, and one of June 2nd to Mr. Pancoast. Your keeping the Commission office posted is much appreciated and evidences of your splendid work is very obvious.

Before this letter reaches you, the fate of our Commission bill, as far as today at least is concerned, will be known.

Mr. Pancoast directed telegrams to be sent as per enclosed copy. It is believed that this telegram will result in immediate response.

A somewhat similar telegram will be immediately dispatched to the Governor by Mr. Pancoast just as soon as it is learned that the House has acted upon this measure.

In letter received today from Mr. Copeland, the following appears: "I have never known anyone to work as hard and as faithfully on legislation as Mrs. Jennings has done in this case and, whether we win or fail finally, there is no doubt that Mrs. Jennings deserves well of the Commission".

With all sincere regards,

Very truly yours,

EFC/kj
