Dear Mrs. Jennings:

This is in reply to your letter of November 15th to Mr. Pancoast. You will be pleased to know that all members of the Park Commission, with the exception of Norberg Thompson, have now expressed their purpose to attend the Park Commission meeting December 2nd. It is much to be hoped that nothing unforeseen happens that may interfere with your attending.

Governor Sholtz has appointed L. Conner Hagler of Pensacola to the vacancy due to the death of Lorenzo Wilson. This office has not as yet learned as to Mr. Hagler's acceptance.

This office suggested to the Miami Chamber of Commerce Secretary that he write to you for printed matter having to do with the Royal Palm State Park in reply to his request of this office for such information. He states that many inquiries are already coming in to him for information concerning the Royal Palm State Park.

I was down there recently and enjoyed an hour on the pathways through the jungle the south side of the road. The Atkinsons keep everything in very shipshape order, and as far as I can judge are serving the public very acceptably.

With all appreciative regards,

Sincerely,

Ernest F. Coe, Executive Chairman
Everglades National Park Commission
