Mr. Ernest F. Coe,
Executive Chairman,
Everglades National Park Commission,
Court House,
Miami, Fla.

My dear Mr. Coe:

I am very much disappointed that we should have had the meeting of the Commission for organization when Mrs. Moore could not be present. She will be attending the General Federation of Women Clubs' Board meeting in Washington on this date. But it seems there has always been some reason to put off the meeting so I am hoping there will be no change in the meeting now.

I am planning to leave here on the 14th, ~~Tues-~~ day for Miami. It will likely be that you can reach me thru Mrs. Loveland, whose address is 146 N.E. 8th St.

Of course you cannot tell so far in advance, but I am wondering if an afternoon and an evening is going to be sufficient time. I had wanted to go to Royal Palm State Park while I was down there and will do so. Mr. Wilson is coming down by easy stages stopping to attend to some business and I will go straight down either by train or buss as I know of no one else who is going.

Sincerely,

May W. Jennings

Mrs. W. S. Jennings, Chairman,
ROYAL PALM STATE PARK,
F.F.W.C.

If there is any change in time of meeting or date please wire me as I would not care to make an unnecessary trip.
