My dear Mrs. Jennings:

Will you kindly advise to whom correspond-
ence should be addressed concerning the
Dade Muck Land Company?

With kindest personal regards, I am

Sincerely yours,

Ernest F. Coe
Executive Chairman
Everglades Natl. Park Assn.

Oct. 23rd. 1935.

My dear Mr. Coe:-

My son and I own the Dade Muck Land Co., and any requests
for information should be sent either to him or to me. He is
president of the Company and his address is S. Bryan Jennings,
1509 Barnett Bank Bldg. Jacksonville, Fla.We have sunk a lot of money down there and are in no position
to make gifts to the public enjoyment just now.When are we to have a meeting of the Commission??? I think
that you are loosing the interest of the members by delaying
this meeting. I believe the financial status is settled now but
of course, I am not informed if Mr. Lee is ready to give us funds
to work with or not.

With all good wishes,

Sincerely,

Mrs. W. S. Jennings.
