OAKLAND PARK SUN DEVILS FOOTBALL HOMECOMING NOVEMBER 22, 1975

This evening is set aside to honor all the mothers and to crown our 1975 Football Homecoming Queen. We invite all the mothers of the ball players, cheerleaders, and wives of the coaches to be present. Each mother will be introduced with her son or daughter. We will begin to assemble at 7:00 p.m. at the west end of the field. As introductions are made, you will walk from the west end zone to the fifty-yard line and then to our side of the field. Following the introductions, the Homecoming Queen will be crowned. If there are any questions, please contact the Recreation Department.

The Extra Advantage is what you get from The Dale Carnegie Course

A new understanding of what motivates people — yourself included — is just one of the extra advantages offered by the Dale Carnegie Course. With this knowledge comes new confidence in your own ability to cope with problems and meet life's challenge. You acquire self-assurance, poise and you're more comfortable in new situations or meeting with people. This results in better relationships with business associates and your family and friends. You also benefit from:

- Increased confidence in yourself.
- Being able to adjust to change with greater ease.
- Developing a brighter and more positive mental outlook.
- Improving the skills that are sought after in business.

The Dale Carnegie Course can help you gain the "extra advantage."

History of Oakland Park Football

The Oakland Park football program has come a long way since it first entered the Gold Coast League, under the sponsorship of the Oakland Park Recreation Department in 1962. That year only fourteen boys were dressed out for the 120 pound team.

From 1962 thru 1966 the football program was under the direction of Al Perillard, Recreation Director and head coach. During the period from 1962 to 1966, Oakland Park had some fine football teams.

In 1967, Dan Callahan became Recreation Director. All teams started to improve once again.

In 1969, I became Recreation Director and the head coaches were Bob Fitch, Claude Hatchell, and Gary Croyle. The 120 pound team ended up second with six wins, one tie, and two losses. In 1970, Oakland Park had another fine year. The 130 pound team won six and lost four. The 100 pound team had its best year ever with five wins, one tie and four losses. The small team only won one game, but it was a big one for Oakland Park — they beat Northeast, 13-0.

In 1971, the Oakland Park team had average years, but won big in the bowl games, beating Coral Springs in all three games — 20 to 13, 52 to 0, and 28 to 12.

In 1972, the 130 pound team got off to a slow start but came on strong at the end of the season, upsetting Western 13 to 7 and Lauderhill 27 to 19. In the Rebel Bowl against Northeast, the 80 pound team lost 14 to 6, the 105 pound team won 7 to 0 and the 130 pound team won 12 to 7.

1973 brought about several changes in Oakland Park football. A new league, known as the National Boys Football League, was formed. Oakland Park changed its name to the Sun Devils and the colors became maroon, gold, and white.
