*As we begin our Tri-Seasonal Recreation Program for the Fall, Winter and Spring we are trying to offer a well rounded program for all age groups.*

*We are starting a "Tiny Tots" program for the four and five year old children and have reserved Saturday nights for the teenagers as a "Teen Center" at the Recreation Building. For the adults; the Bridge Groups, Dancing Instruction, Garden Club and Senior Citizens are in full swing. Also, we are planning a new Woman's Softball League.*

*We plan to utilize Royal Palm Lake Park with supervised games for the younger children in the Royal Palm Isles Section.*

*Stevens Field is now being used in our Football Program immediately followed by Men's Softball and Woman's Softball then Little League Baseball and Girl's Softball.*

*We offer programs beginning with the four year olds, school-children and pre-teens, teenagers, young men and women and our Senior Citizens with one member being ninety-three years young.*

*One of our main goals as Recreators is to build a well rounded program for all ages.*
