THE NORTH BROWARD TIMES

Published every Saturday Morning at
630 S. W. 1st Avenue, Fort Lauderdale, Florida — Telephone 5145
and distributed free throughout North Broward County from Wilton
Manor to Deerfield Beach
Marge Eckles — Editor and Manager

The North Broward Times

To serve the communities of North Broward County we have today launched the TIMES.

It is our hope that it will serve a long felt need to all the communities of the northern section of our county, both to the readers and to the business houses that are making these communities grow and flourish.

It is our hope that you will help and take an interest in this, your weekly news magazine. Knowing the difficulties that lie ahead in starting a publication of this kind, we publish this first issue with the firm determination to publish weekly on a year around basis, bringing the TIMES to you every Saturday morning, 52 weeks a year.

And, so it is with high hope and confidence that we set "January 28, 1950, Vol. 1, Number 1", on our masthead and today place the North Broward Times into your hands for the first time.

— The Editor and Publisher

POMPANO BEACH C of C FISH FRY

A benefit fish fry at McNab Memorial Park, sponsored by the Pompano Beach Chamber of Commerce, is on the agenda for February 11.

Don't forget the date. You'll have a good time.

After you've packed in all the fish you can eat, you can pack it solid by the square and modern dancing that is to follow the feast, at the auditorium of the chamber. There will be shuffleboard at the park for those who enjoy the game.

This event is a forerunner of the water pageant and bathing beauty contest to find the "Valentine Sweetheart," February 12, at the Pompano Beach Yacht Basin.

Proceeds from this program are to be applied to the organization's building fund, according to the secretary of the Chamber of Commerce Lyle Weaver.

BUS FARE INCREASE IS REVOKED

Protests from Mayor Dewey Hawkins of Oakland Park; Mayor Dave Turner of Wilton Manor and Town Attorney W. J. Robinson of Wilton Manor resulted in the revocation of the bus fare hike of five cents, which was tried on a temporary basis, by the Fort Lauderdale Transit Lines, approved by the Florida Railroad Commission.

NOTICE

Club secretaries and other organizations are invited to telephone all club news to the TIMES for publication. Information regarding your meeting dates and social functions will be gladly accepted. If you'd rather put them in the mail, just address them to the NORTH BROWARD TIMES, 630 S. W. First Avenue, Fort Lauderdale or Telephone 5145.

WILTON MANOR COUNCIL MEETS

The regular meeting of the Wilton Manor Council was held January 20 at the Village Hall.

Minutes of the former meeting were approved with the exception that Mr. Hagan was reappointed as President of the council instead of Chairman of the Council.

Wot Hoppen?

Seems that the Highland Estates Fire Department have been too busy fighting fires or else their coffers are completely filled as their statement to the Village of Wilton Manor has not been received yet for their services of extinguishing a recent fire in the Village.

Join Forces

Mr. Brown and Mr. Chabot were requested by Mr. Hagan to contact the men who volunteered to join with the Highland Estates Fire Department so that they may work and train together to answer Fire Calls.

WSCS MEETS AT POMPANO

The Woman's Society of Christian Service of the Pompano Beach Methodist Church will hold its regular monthly business meeting and program meeting Wednesday, Feb. 1, 9:30 a. m. at the Church.

The second in a series of studies on Japan will be presented by Mrs. T. N. Alexander, District Secretary for Missionary Education.

Mrs. A. T. Pearce, district Secretary of Promotion, Mrs. Alfred Taylor, district Treasurer and Mrs. Walter T. Beckman, Conference President, all of Miami, will be guests.

Members and friends are cordially invited to attend.

TAX MEETING

Delinquent taxes in the amount of about \$100,000 which date back to some 20 years or more, was the subject of a meeting of the members of the Deerfield Civic League appearing before the City Council.

These taxes cover more than 200 pieces of property scattered about town and the list has been turned over to the city attorney, Marion Walton.

H. Y. McCandish, league committee member, stated that his organization is a non-political group of 150 member and they intend to "see this matter through to the end."

FAIR DATES CHANGED

A county fair to be held at the Pompano Beach Speedway has been changed from Jan. 30—Feb. 4 to the week of Feb. 6 to Feb. 11.

Claude T. DeGraw, president of the Pompano Beach Fair Association, states that the exhibits will include vegetables, flowers and plants of this section; cattle, dairy equipment, farm machinery, manual training articles made by both white and colored students of the local schools and many other displays.

Feature of the fair will be a daily carnival and other special attractions.

Village Equipment To Be Repaired

At the council meeting, Mr. Robinson made a motion seconded by Mr. Boyd to have Mr. Brown and Mr. Chabot have the equipment, which was given to the Village of Wilton Manor by Mayor Turner and Mr. Brown, repaired and put into good working order.

FIFTH GRADE STUDENTS ON RADIO

Parents and friends of Fifth grade students of Oakland Park School listened with much interest to the playlet broadcasted from WFTL, at one-thirty p. m. on Wednesday, in which four Fifth Grade students explained the activities of the American Junior Red Cross in Broward County.

The students, Toni Brenner, John Joyner, Marjorie Smith and Ronald Hunter were coached by Mrs. M. C. Beasley, teacher-sponsor of the Junior Red Cross of the Oakland Park School, and the children gave the playlet on the regular weekly Red Cross program as guests of Mr. J. J. Komp, Executive Director of Broward County Red Cross.

SPEEDWAY RACES

There'll be plenty of spills and chills — besides a lot of thrills, at the Pompano Speedway Sunday, January 29.

Jim Millard and Cotton Hodges will be the featured racers and you'll be glad to know that the track has been made dust-free with oil that has been sprayed on it.

Everyone who has seen this type of racing at the Pompano track always comes back for more.

Time trials begin at one o'clock and the races start promptly at 2 p. m. Time trials at former races have produced a speed of 47 seconds for the mile and quarter track.

You folks living in Wilton Manor and Oakland Park can drive north on the Dixie Highway then take the road which leads to the Pompano Market—that takes you to the Speedway, also.

COUNCIL BUSINESS

At a recent meeting of the Oakland Park Council, it was decided that Northeast First Street from Third Avenue to Fourt Terrace would be surfaced and paved as well as Northeast Fourth Terrace to Oakland Park Blvd.

New street lights are also to be placed at Third Avenue and Southwest First Street and in front of Mac's Sundries, located on South Dixie Highway.

SQUARE DANCES

The Lions Club of Oakland Park sponsors the weekly square dance every Friday evening, starting at 8 p. m. at the City Recreation Hall. The Lions Club are also responsible for all the recent improvements at the City Rec. Hall.

SCHOOL NEEDS SURVEYED

A group of seven construction and finance experts are on a three-day survey of our Broward County Schools, on the invitation of the school board and school bond advisory committee.

Included in the group are officials from the state department of education and University of Florida professors who will determine the needed improvements for the schools and the best method of paying for same.

James L. Graham, state school finance director, is head of the group and stated that the situation will be analyzed on the basis of present pupil population and estimated increase in enrollment. He also stated that some school plants in the county are as much as twenty years behind in their facilities.

CHRISTINE ELMORE CELEBRATES HER BIRTHDAY

Monday, January 23, was a big day in the life of little Christine Elmore, standing in above group, who celebrated her fourth birthday at the Kindergarten and Day Nursery with twenty of her little friends at Wilton Manor.

Christine is the daughter of Mr. and Mrs. Robert Elmore who live at 910 N. W. 8th Avenue.

The children attending the party were Elizabeth Mitchell, Mark Mitchell, Howard Rololl, Kim Kantner, David Rololl, Chris Parsons, Nancy Woods, Mike Hall, Carol Ann Cox, Mark Gartland, John White, Cynthia Sandler, Jack Carter, Carol Jean Lanford, Sandy Alexander, Anita Gates, John Morton, Paul Carter, Henry Roessler, Brent Naussley and of course the guest of honor, Christine Elmore.

The celebration started at ten o'clock in the morning and the children feasted on the usual party fare—cake, milk, ice cream and several of the boys had frosting and milk mustaches while at the table.

Some of the mothers were present as was Miss Margaret Jordan, who operates the Kindergarten and Day Nursery, located at 21st Court and Wilton Manor Drive. Several children did not attend because of illness.

CAMPAIGN PLANS FOR MARCH OF DIMES AT POMPANO

Paul Harris, March of Dimes general chairman for the drive in Broward County, attended the Moose Club meeting last week at Pompano Beach and outlined a program to reach the city's goal of over \$3,000.

Mrs. Roxie Thomas, local chairman, said that 79 miniature iron lungs have been distributed throughout the city by Ed Griffith and 40 have been sent to Deerfield Beach.

Milk bottle containers are to be distributed for each state in the union, one for the District of Columbia and one for Canadian visitors to this area. It was suggested that these bottles be placed in front of the post office.

Griffith, representing the Moose Club, the sponsors of the local campaign, announced that Fred Applegate, commander of the Sterling McClellan American Legion post is making arrangements for a public dance to take place at the legion hall Saturday night with all proceeds pledged to the March of Dimes. The Moose Club will also sponsor a fish fry on Sunday beginning at 5 p. m. at the club, according to H. H. White, governor with Shaw Parnell in charge as general chairman for the event.

A benefit card party will be sponsored by the American Legion Auxiliary Monday night at the Legion home with funds going to the March of Dimes.

A musical program is slated for Wednesday at the Pompano Farmers Market to take place on the vegetable platform where contributions will be received. A collection table is to be placed in the Farmers bank.

The Rotary and Lions Clubs have pledged their support to this program also. Containers have been placed at the Pompano Beach Theatre as well as stores in town.

And if you feel like kicking a kigmy—there are several of them around town, especially created by Al Capp, cartoonist, they are called "Li'l Polio Bug" and will be used to publicize the campaign.

George Hinson will distribute the containers for the iron lung campaign for Deerfield Beach—He's the man in charge.

NEWS HIGHLIGHTS FROM OAKLAND PARK

Friends of Ross McCarty will be sorry to hear that he is very ill at his home on the North Dixie Highway.

Mr. and Mrs. Harry Johnson of Springfield, Illinois, have been visiting with Mrs. Jack Colquitt at 235 N. E. First Street.

K. Hogan, who operates the barber shop on the North Dixie, recently enjoyed a pleasant visit with his mother, Mrs. A. P. Hogan and his brother, Albert Hogan, from Virginia, Illinois. They recently returned after a two week's stay with the Hogan's. Now, Mrs. Hogans' father and mother have arrived from Effingham, Illinois. They are Mr. and Mrs. Frank Fisher, who anticipate a nice long stay until March 1.

Mrs. George Lambert is a patient at Broward General Hospital and is said to be in very serious condition.

'NELLIE G III' HAS INTERESTING HISTORY

The Swett boys, Walter and Paul, who brought the NELLIE G III down to Pompano Beach for its first season in Florida waters this year, related a very interesting history of their craft, when questioned about the other two Nellie G's.

It seems that the original Nellie G was built in 1898 at Woolwich, Maine, and was put into service for passengers plying between Boothbay Harbor, Maine and Squirrel Island. The vessel was purchased by Walter and Paul and is still owned by them—her home harbor, now being Portland, Maine.

Nellie G II was built to replace the first craft and remains in Boothbay Harbor. The present NELLIE G III was built at Friendship, Maine in 1945 and is 53 feet in length, carrying 75 people comfortably. The boys still Operate No. 1 Nellie G as well as No. III between Portland Maine and Cousins, Little John and Chebeague Island in Casco Bay, between May 1st to October 1st for passenger and sight-seeing cruises.

Now the Nellie G III is available at the Pompano Beach Yacht Basin and has a schedule of four different cruises to enjoy.

Cruise No. 1, daily at 10 a. m. takes you to Boca Raton and Hillsboro Light. The Second Cruise leaves at 2 p. m. daily, except on Wednesdays, bringing you down the coast to Fort Lauderdale and Port Everglades, while a Wednesday cruise leaves the Pompano Yacht Basin at 10 a. m. and is an all day excursion to Hollywood and the mysterious jungles.

Finally the number four cruise—Wednesday and Saturdays—is an evening trip, leaving the basin at 7:30 p. m. for a sail to Fort Lauderdale where they make a stop at Bahia-Mar for sight-seeing and refreshments.

WILTON MANOR TO BE ON POSTAL MAP

Postmaster Shand informed the Wilton Manor city council on his request that the Village of Wilton Manor be placed on the postal map, that this can be done by having a classified office, which office will not interfere with the rural free delivery.

BIG BOON TO FISHERMEN!

Within the next ten days construction will begin on the new Deerfield fishing pier, President Gene R. Rosefield has announced.

The contract has been signed with Cox and McNutt of Coral Gables. The original plans of construction have been revised to comply with the underwriting engineers and the U. S. Engineers. John Brendla of Fort Lauderdale is the consulting engineer for the corporation.

This project is to cost about a quarter of a million dollars and is to extend 1,200 feet into the ocean from low tide, featured will be cabanas, recreational facilities, food, bait and tackle shop and everything that is necessary and helpful to the Isaac Waltons. All you have to do is grab your rod and reel and spend the whole day on the pier if you like—just everything will be available for your comfort.

Mr. Rosefield, Robert Burleson, vice-president; George Woltman, secretary; William C. Sait, Treasurer, and George Benson, assistant treasurer, are the officers of the pier facilities.

Douglas Fairbanks, Jr., fights off a mob to vie for the affections of Helena Carter in this scene from his latest picture, "The Fighting O'Flynn" the Universal-International picture playing Tuesday and Wednesday at the Lauderdale Drive-In Theatre.

Co-starring with Doug is lovely Helena Carter, who provides the feminine half of the story as Benedetta. Richard Greene, also starred, gets his first heavy role in films as Lord Sedgemouth and portrays an Irish army officer who attempts to betray his country in this entertaining film adaptation of the novel by Justin Huntly.

ADDITIONAL STREET LIGHTS FOR WILTON MANOR

Six more street lights will be installed and two will be moved to a better position in Wilton Manor it was decided at Monday's Council meeting. Mr. Brown will contact Mr. McLaughlin and advise him of these changes in the plat and a copy of the resolution is to be drawn and sent to the Florida Power and Light Company signed by the Clerk of Wilton Manor.

WATCH YOUR SPEED

Mr. Robinson asked the Wilton Manor Council to consider Harry Sullivan to patrol Wilton Drive during the winter season for a few hours on certain days of the week so as to curb speeding on Wilton Drive.

Pompano Beach City Commissioners meets the second Tuesday each month, 7:30 p. m. at the City Hall.

LADIES WILL FINISH

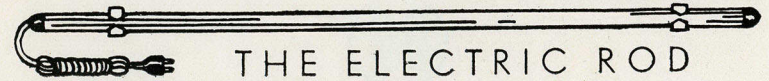

Mrs. Pilcher, Mrs. Hagan, Mrs. Turner and Mrs. Mickel representing the Woman's Club of Wilton Manor, have agreed to assist the Council in the undertaking of finishing the Village Hall and co-operate with the Council and Civic Association so that their meetings will not conflict with other meetings.

Mr. Miller estimated it would cost about \$85.00 to complete the rest rooms and connect the kitchen sink. The council approved this work be done by Mr. Miller.

Mr. Newton estimated the plaster job for the rest rooms and the Council has approved, the cost not to exceed \$100.00.
