THE BAREFOOT MAILMAN

C. L. Pierce, president of the First National Bank of Fort Lauderdale, was guest speaker at a recent meeting of the Oakland Park Lions Club. He chose pioneer days in South Florida as his subject and gave a most interesting discourse, as his family settled here in 1870. He described the days when Juno, just north of Pompano was the county seat — it was then all Dade county.

C. W. Pierce (C. L.'s father) gave a performance bond for James Hamilton of Barefoot Mailman fame and took over the delivery of the mail after the tragic death of Mr. Hamilton at Hillsboro when he attempted to swim the inlet to continue along the beach to Miami to deliver his pouch of mail.

More About Bus Fares

A good portion of the meeting of Oakland Park Council, Wednesday night was taken up by the bus fare controversy. It was decided that Mayor Hawkins of Oakland Park and Mayor Dave Turner of Wilton Manor would take the matter up with the Railroad Commission.

Last Saturday morning, the family of Joseph Castoro's were blessed with the arrival of their first child, Donna Marie. It so happened that this little girl is also the first 1950 baby born to a resident of Wilton Manor.

So, the townspeople decided it was high time to do something about it and they all got together and here's what they've done!

They are presenting gifts to the baby or to the mother and father . . .

ROBERTA's Beauty Salon is going to have mama all prettied up with a nice new permanent wave . . . and the MANOR BARBER SHOP is going to give papa the works — shave, haircut, shampoo and massage . . .

Then after they get all dollied up, MOM and POP BRADY at the Tropical Restaurant have invited them to dinner where Mr. Hagen of the TROPICAL CLUB will be on hand to present them with something appropriate for this great event. . .

E. W. CARTER, Real Estater, MILLER HARDWARE, MID-RIVER sales and service, for motorcycles, DOLPHIN SEA FOOD RESTAURANT, BILL'S PACKAGE STORE and TRAIL-

ER HAVEN (that's where the Castoro's live) have cooked up something we haven't found out just what yet, but we'll know later . . .

WILTON MANOR DELICATESSEN is inviting the young couple to their choice of a basket of groceries and pastry . . . MANOR MARKET is presenting the little lady with a whole case of milk for her formula . . .

TROPICAL PAINT SUPPLY will give something fitting for the occasion, maybe they'll give "dad" some paint to cover their trailer, hey? . . . Then, to make some nice warm evening complete HOYER'S SUNDRIES have a half gallon of ice cream waiting for them . . .

After all this celebrating, there may be a few spots on their clothes, so WALSH'S DRY CLEANING AND LAUNDRY, have a dry cleaning ticket for them and MANOR HELPY SELFY will do the whole week's laundry for them in their automatic machines. . .

MANOR SERVICE STATION haven't anything that would be appropriate for such a little tot, so they are going to give the family auto a good washing—same goes for TROPICAL SERVICE STATION, who will do a good lubricating job on the car . . .

PAUL SMITH of the SHOE REPAIR SHOP says he'll repair some shoes for the Castoro's. Mrs. Lewis of the BROWARD 5 and 10, informs us that she will give the baby a bottle holder—or if she already has one — she'll find something else. . .

Mrs. Muzell of the ELECTRA-PLIANCE Sales and Service, doesn't know whether they should give the newcomer a bottle sterilizer or a bottle warmer—anyway Miss Jordan of the KINDERGARTEN AND NURSERY SCHOOL say's she's going to get baby her first book and WILLIAM'S PHARMACY have a nursery set or something of equal importance for baby's health and comfort . . .

An anonymous contributor has a whole year's supply of cod liver oil which is so necessary . . .

Bett and Dick's WILTON MANOR BAR have something for the folks too as has the SINCLAIR SERVICE STATION.

And last the NORTH BROWARD TIMES has selected a book in which to keep the records of Donna Marie.

Now don't you wish you were the proud parents of Wilton Manor's first baby born in 1950?

POMPAÑO BEACH HAS CITY ELECTION

Over sixty new registrations have been put on the books since last year's election in Pompano Beach, according to City Manager H. P. Edmond. The primary and general elections will be held on February 13 and 20, this year.

Mr. Edmond predicts that about sixty per cent of the eligible voters will come to the polls to vote for three of the five city commission posts. A. J. Smoak does not seek re-election, however, Andrew J. Brennan will be in the running along with nine other candidates.

Mayor G. T. Hull and commissioner G. W. McPherson remain in office until their terms expire next year.

ROAD 810 TO BE WIDENED IN DEERFIELD BEACH

Two sections of Road 810 in Deerfield Beach are to be widened and resurfaced as well as two sections of A1A, south of the Hillsboro Canal it was disclosed by the State Road Department. R. H. Wright and Son of Fort Lauderdale were low bidders for the contract.

TOURING THE COUNTY

On my rounds the other day, I made my first stop at a new barbecue place called OLD HICKORY in Wilton Manor and I mean it's a real barbecue. The food is cooked over hickory coals and is deliciously juicy—beef, pork, ribs or chicken all served up with wonderful cole slaw and home-baked beans, Oh, yummy! Sure, they serve sandwiches, too. Benny and Lucille Bendetto along with Emmett and Clara Vernon are the owners, you'll always find Lucille and Clara on the job, haven't caught up with the fellows yet, but I will . . .

Sure enjoyed those races at the Pompano Speedway last Sunday, didn't you? Hope we have some more real soon . . .

Stopped by to see Doc Willims at WILLIAMS PHARMACY in Wilton Manor too—needed some of those high-powered vitamin pills — and who do you suppose I found behind the prescription window, Ivan Lanier! Haven't seen him in some time . . .

There's a place in Fort Lauderdale called CARL'S ELECTRIC MOTOR REPAIR, located on Broward Blvd. He'll come and pick up that troublesome motor for you and have it fixed up and returned to you in no time at all . . .

Miss Jordan's KINDERGARTEN AND DAY NURSERY are now all settled in their new home on N. E. 26th Street in Wilton Manor. Much more room for the children to play out of doors and it's a nice location off the main thoroughfare . . .

There's always a good picture at the LAUDERDALE DRIVE-IN Theatre—First run pictures too, and you won't have to worry about dust as the grounds have been well-oiled (or whatever they do to make it dust free).

THE BABY LAUNDRY AND DIAPER SERVICE, Fort Lauderdale's "infant industry," now make deliveries twice weekly — on Mondays and Thursdays to North Broward County. Their sterilization process makes everything "hospital clean" and gives baby extra protection for his or her health . . .

Oh yes, while I'm on the subject of babies—I might add that there's a LULABYE SITTERS REGISTRY, where you can obtain a certified baby sitter when you get that

urge for an evening's splurge. Just phone Fort Lauderdale 2-7113. They will take care of the rest. . .

If you want some real country fresh eggs or poultry — just drive to West Ocean Blvd., in Oakland Park to the OAKLAND PARK POULTRY FARM — I got some of those "jumbo" eggs the other day and they are wonderful!

Pop and Mom Brady at the TROPICAL CLUB RESTAURANT, Wilton Manor, have been kept busy — and no wonder — you should eat some of their delicious food. Something the fishermen like, when they come home with their favorite catch — Pop and Mom will cook them . . . Something else you fishermen should know that J. T. REESE, located on South Andrews Ave., in Fort Lauderdale, is a LOCAL taxidermist and does beautiful work. Have you seen his marine museum? . . .

Folks from Vista del Mar at Pompano Beach, certainly enjoyed that moonlight cruise aboard the NELLIE G III the other night. Tonight (Saturday) there'll be another cruise and the Swett boys who operate the Nellie G III told me they will have musical entertainment and a stop at Bahia-Mar on Lauderdale Beach. They make a cruise on Wednesday evenings, too.

Ed Bisner and Joe Brannigan operate the DOLPHIN SEA FOOD RESTAURANT in Wilton Manor. There you can select your sea food from the display case on the Market side and have it cooked to suit your palate. Ed tells me that he has been in the food business for years—was recommended by DUNCAN HINES as well being written up in the RESTAURANT MANAGEMENT MAGAZINE. He's a fellow who knows all about food and the preparation of it . . .

Comparatively new to this area is the DAMPP-CHASER, which is an electric rod and can be installed to protect your clothing from mildew, dampness or mold. It's manufactured by A. M. Foote Electric and Mfg. Co. of Fort Lauderdale—They even have one for pianos.

Mr. and Mrs. Sam Brenner have recently taken over the complete operations of the DOUBL-AR PAINT and HARDWARE at Oakland Park. They have a fine line of paints as well as hardware—and I hear that Sam does some beautiful Mural work, too.

Burt Lancaster and Dan Duryea plot a daring robbery while Yvonne deCarlo looks on in this scene from "Criss Cross," showing Tuesday and Wednesday, February 7 and 8 at the Lauderdale Drive-In Theatre.

TOURING THE COUNTY

At the Gateway to Fort Lauderdale, there are several new shops opening — SUNRISE RADIO is being opened Monday by Mr. Dickler. There you will find the best made Television sets . . .

Another opening Monday at the Gateway is ALTA'S, where milady will find distinctive beach and sportswear. Alta is a well-known person in Broward County having been associated in some of the better shops in downtown Fort Lauderdale . . .

There's always a crowd at the BEACON BAR on East Ocean Boulevard in Oakland Park — and small wonder — Phil Lumsden is a real host, fun for everyone — indoor shuffleboard and television, too.

For a different water cruise, why don't you come down to Fort Lauderdale some one of these days and go aboard the ABEONA or the WATER BUS, you'll enjoy it!

AMERICAN LEGION LOFLEY-HINSON POST 162 of Deerfield Beach meets the first and third Monday at 8:00 P. M. at the Legion Home.

PUBLIC INVITED TO SKEET SHOTS

The Broward County Rod and Gun Club holds shoots on Wednesday afternoons, Saturdays and Sundays also. So if shooting is your hobby, to the Naval Air Station in Fort Lauderdale — just follow Andrews Avenue south until you get to the Oyster Bar (that's almost where Andrews Avenue meets the Federal Highway) then turn right and follow the signs.

The public is welcome, so here's your opportunity — you can shoot skeet to your heart's content.
