Quinn, Jane: Minorcans in Florida, Their History and Heritage,

Mission Press, St. Augustine, Fla., 1975.

See copy in the private library of William M. Straight, M.D.

This book is chiefly written to laud the work of the Catholic church in Florida although it is said to be historically accurate. It contains nothing related to medicine that is not quoted from the volume: Panagopoulos, E. P.: New Smyrna: An Eighteenth Century Greek Odyssey.
