of Florida, Gainesville

Stetson  
AGI 54-5-9/103

1611  
December 15

Governor Juan Fernández de Olivera, of Florida to  
the crown, St. Augustine, 4 ff.

Requests money to meet expenses incurred in Religious and native activities. More soldiers needed if more priests are sent to Florida, otherwise the latter will not be adequately protected. Religion must be emphasized if province is to develop. Only income for hospital comes from alms by soldiers- no royal funds for it- and in effect hospital does not exist. Reasons for dismissing Factor Alonso de las Alas and Treasurer Juan Menéndez Marqués from their posts go in another letter. Position of factor can be replaced by that of storekeeper at half the cost; recommends Alonso García de la Vera to be treasurer.

Location: P. K. Yonge Library of Florida History, University  
of Florida, Gainesville.

January 14

The soldiers of the presidio of St. Augustine to the crown, Madrid, 18 ff.

Since the founding of the hospital, each soldier has supported it with 12 reales annually. A cedula of 1620 provided that each soldier be charged 12 reales annually for hospital support and 12 reales for medicine. The present charge of 24 reales is unheard of in other presidios of the Indies. They petition for reimbursement of the excess charge. Enclosures include information on the founding of the hospital by Governor Méndez, and a cedula repealing the one of 1620.
