Dear Gepsie: New draft resolution accompanies this page.
Suggested new letters from Mayor Pinellas individually to
Senators Graham and Mack as follows:

Dear Senator Graham [or Mack]:

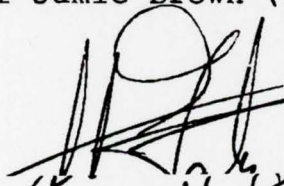

Permit me once again to congratulate you on your excellent work
in co-sponsoring the Haitian Refugee Immigration Fairness Act,
which would provide legal permanent residence for an estimated
40,000 persons.

The Dade County Commission has passed a resolution strongly
supporting your initiative, which has my unqualified support.

I understand that the Senate Judiciary Committee's immigration
subcommittee will consider this important bill on page 10 -->

Sincerely,

Extremely important: Mayor's office should send these
~~letters to the senators'~~ Washington, DC offices to the
Attention of Caroline Berver (for Senator Graham) and
of Jamie Brown (for Senator Mack).
