Dear Professor Sudarkasa,

I am writing on behalf of Dr Keziah Awosika and the Editorial Board of the Conference Proceedings on Women and Development. The proceedings are now ready for publication and we would still like to include your paper. However, you must get it to us by the end of April otherwise it may not be included. We expect the publication to come out some time this year and now have money available to enable us to proceed. If we do not receive your paper, we will only refer to the main ideas in one of the Introductions. We shall be most grateful if you send it to us, but we shall not write to you again in this connection except after receiving the paper.

Yours sincerely  
H. M. A. Onitiri
