

Could you? Would you?

it sure would help!

You received a message like this about 8 months ago. At that time I asked that you consider placing this notice in your publication free-of-charge, and many of you did. We are grateful for the opportunity given us to find other Jewish Lesbian Daughters of Holocaust Survivors.

However, it is also clear that many, many more women would benefit from an opportunity to find us and so we are asking that you *please* consider running this notice a second (or first!) time so that our group can continue doing outreach to lesbians who qualify for membership. You are welcomed and encouraged to run it as many times and as often as you wish. We are the only group of our kind, and the women we serve are an international population.

We are not an income generating group, but expect that we will begin to be able to offer contributions for these ads in the future.

I thank you in advance for your generous placement of this notice. Your questions, comments, tearsheets or other communications can be sent to the address below.

Yours sincerely,

Catherine Lohr

JEWISH LESBIAN DAUGHTERS OF HOLOCAUST SURVIVORS

We meet for support & networking and welcome contact from other **Jewish Lesbian Daughters of Holocaust Survivors**. The next meeting is scheduled for November 13-15 in upstate New Hampshire, and semi-annually after that. A **partners group** has also been formed for lesbians who are in relationship with JLDHS. Membership is not dependent on both partners. For information write PO Box 6194, Boston, MA 02114, or call (617)321-4252.
