Dear Dr. Holmgren,

Your letter of August 12, reached me a short time ago. There is no difficulty on our part for the fact that you must limit your presence at the Second General Conference of the Continental Episcopate of Latin America from August 27 to September 1. Accomodations will be provided for you at Medellin. You may write to me there (Seminario Conciliar, Medellin) to inform me of your arrival or at the address of the General Secretariat of the Second General Conference.

The letter which was sent to Dr. Olivier Beguin and the letter of Dr. Beguin to you will suffice for accreditation at the Conference.

With personal best wishes, I am,

Sincerely yours,

Antonio Cardinal Samoré

P. Mons. C. T. ad.
