Mr. Al Vorspan, Director
Commission on Social Action
UAHC

New York, New York 10021

Dear Al:

Enclosed is an update for the material I sent David earlier to use in This and That or summaries to Social Action people or whatever. I am also enclosing some clippings about the latest developments in regard to the Haitians.

Rabbi Bogage is away at the Union Camp, and I will be leaving in two weeks and return right after Labor Day. I have arranged for a Regional Social Action meeting on Thursday, September 20th at 11:30 a.m. at Temple Israel. We will try to nail down more material for the study guide and program action sheet we are going to evolve.

I am sending copies of this update to some of the local people with whom I have been discussing this issue, with the idea that they may want to write to you directly and suggest changes.

I hope everything else is fine up there. With any luck, I will be at the meeting in New York on the 24th of September and we can talk more about what comes next at that time.

Yours sincerely,

DOROTHY L. SEROTTA
Regional Social Action Chair
