North Miami, Florida 33181

Dear Friends:

You were really very kind and thoughtful to send such a lovely card and bookmark. I am glad to hear from all of you.

Joan and I arrived in Miami on Friday, April 5th. The really good progress and improvement that I made in Washington happily continue here. We will remain in Miami for the next few weeks for further physical therapy before returning to Washington.

With all warm regards and appreciation, I am

Sincerely,

*Bill*
