Attn: Mr. Tilford Creel
Executive Director

Dear Mr. Creel:

Arch Creek is an historic place in the history of South Florida. We do not want it to go down in history as the first creek lost to pollution. Investigations recently completed show that it is urgent that clean up begin immediately. It is an important educational resource for the community. Please allocate sufficient money to restore the creek.

Arch Creek Trust, Inc. represents hundreds of families who have worked together to protect, preserve and enhance this area.

The Trust recently succeeded in expanding the park with the purchase of the former Sussman Tract. The City of North Miami supports efforts to improve the quality of the water in the Creek.

Your early reply will be appreciated.

Sincerely,

Arch Creek Trust, Inc.
