

RESOLUTION

WHEREAS: There is apparent consideration being given to requests for various permits and/or zoning changes for private development in the area partially surrounded by Oleta State Park, and

WHEREAS: The Arch Creek Trust feels this would be environmentally damaging and not in conformity with surrounding recreational uses,

THEREFORE BE IT RESOLVED: That the Arch Creek Trust, being desirous of joining other groups in opposition to said changes, hereby requests Maureen Harwitz, a member of the Trust, to act as counsel for Arch Creek Trust and to represent us in this matter.

Resolved this 20th day of February, 1989.
