Dear Ms. Helene:

Thank you for your letter of February 23 regarding the preservation of the "Military Trail" adjacent to Arch Creek Park.

As discussed at the January 4 City Council meeting, a survey of the referenced property was conducted, and I would be glad to have our Legal Department furnish you with copies of that survey if you so desire.

I am sending a copy of this letter to Mr. Alan Rosenthal, the attorney representing the property owners you mentioned on Biscayne Boulevard, who accomplished this work for the City. I would be glad to meet with you, Mr. Rosenthal, and anyone else that would be pertinent in helping to express the "historical significance" of the Military Trail.

I would request that Mr. Rosenthal contact me when he receives this letter so we can schedule a meeting that will be mutually convenient for all parties involved.

Sincerely,

**JEFFREY A. MISHCON**
