**RE: Arch Creek Park Access ( Military Trail aka Old Dixie Highway)**

Dear Darcee and Alan:

In response to the urgent request of the City of North Miami Beach, the Arch Creek Trust held a special meeting of its Board of Directors on July 21, 1995 to discuss the City's proposal to maintain a 23 foot wide access road to Arch Creek Park from Biscayne Blvd.

When we spoke by way of a conference call on July 22, 1995 to discuss the specific concerns of the Arch Creek Trust, inc, you stated that the City of North Miami Beach would provide a written proposal describing the manner in there would be public access on a publicly maintained right of way (Old Dixie Highway), to the Park.

As you know, one of the Trust's concerns is that none of their discussions with the City have resulted in a written proposal from the City setting forth the manner in which Biscayne Blvd access to the Park was to be assured. Please advise me of the status of this.

Very truly yours,

  
Maureen Brody Harwitz
