C. O. A # 2002-9511-03-R

Dear Mr. Eck:

The construction work related to the Certificates of Appropriateness listed above has been completed, with the single exception of the installation of the historic marker sign. The historic marker sign has been applied for from the State of Florida and is expected to be manufactured by August 2002, when it will be installed.

At this point in time we are requesting confirmation from the Historic Preservation Board staff that the work completed is acceptable according to the terms of the Certificates of Appropriateness, with the exception of the historic marker sign.

Should you have any questions, please feel free to contact me at 305-948-2966 (fax: 305-957-3517).

Sincerely,

Thomas J. Vageline
