You are invited to attend a "ground breaking" ceremony celebrating the start of the reconstruction of the Natural Bridge at Arch Creek Park on Saturday, March 8, 1986, at 10:00 A. M.

This is an historic event and a major step in the restoration of one of Dade County's historic meeting places.

The substructure is expected to be completed in ninety days with the artist, Louis Vandercar, completing the facia work in another sixty days.

We shall look forward to your being a part of this great event.

Very truly yours,

Alton Rogers, President
