Dear Ruth,

Last night at our monthly meeting of the Arch Creek Trust we heard the wonderful news of your work to secure a full time director for the Arch Creek Park beginning with the new fiscal year in October. Please know that we have also made contact with staff at the county in an effort for cooperative support between the county and the city of North Miami regarding possible housing for this director.

Those in attendance were so excited about this news that they decided to ask you to address our next meeting which we are scheduling for next Monday, June 15 here at the church. The idea would be to invite you and a county staff person of your choosing to suggest ways in which the Arch Creek Trust and the county might continue their cooperative efforts in the future. Perhaps you would have a better idea for a more appropriate subject; if so, fine.

Please let me know as soon as possible whether or not you would be able to accept this invitation. While we expect an adequate turn-out, we would want to work very hard to that end and will need lead time to do so. Thank you for your continuing interest in the Arch Creek Area.

Sincerely yours,

Rev. Charles L. Eastman
Vice President,
Arch Creek Trust
