The book cover is dark green with a complex, embossed floral and vine pattern. A large, circular, gold-bordered label is centered on the cover. The label has a reddish-brown background with a dark, irregular tear on the right side. The title is written in gold, decorative, calligraphic letters. The word "LEAVES" is at the top, "OF" is in the middle, and "Friendship" is at the bottom, all in a highly stylized, gothic-inspired font.
