Take up our quarrel with the
foe!
To you from falling hands we
throw
The torch; be yours to lift it
high
If ye break faith with us who die,
We shall not sleep, tho' poppies
blow
In Flander's field.

NOVEMBER 11TH 1927

J. B. JEFFRIES

CANDIDATE FOR MAYOR OF MIAMI SHORES

The coming year will undoubtedly be one of the most important in the history of Miami Shores, therefore, it is an essential thing that every citizen determine carefully the candidates, who in his or her estimation, are most highly qualified to occupy the offices of the Town, and guide the community interests during that year.

We, the friends and admirers of J.B. Jeffries believe that he is pre-eminently the man we need in the office of Mayor during the year 1928, for the following reasons:

1. He has demonstrated his ability as a Town executive in the period of his pro tem presidency of the Council, and has proven his unselfish interest in the welfare of the entire community by his careful, thoughtful, disinterested work on the Town Council since the incorporation of the Town. His record is one of constant seeking to serve the common good.
2. He believes in keeping Miami Shores CLEAN, by means of honest law enforcement, by the encouragement of all good and wholesome activities within the life of the Town, and the attraction to our community of only the honest, sober, and industrious. He believes that Miami Shores will reach its noblest goal when it becomes a community of homes, and of home loving folks.
3. He believes in the Improvement Program of the Town, to be carried out as rapidly as the Town's finances and the common need and demand will permit.
4. He believes in the beautification of our Town, by means of all tropical and sub-tropical vegetation that will make of it a more attractive place in which to live.
5. He believes that one of the most urgent necessities is a pure water system of adequate proportions to care for the needs of the people of Miami Shores.
6. He believes that our transportation facilities connecting us with Miami should be improved, and trolley service extended to us as soon as possible and practicable.
7. He believes in ECONOMY of administration - honesty of government - fairness to all - and a recognition of the rights of all citizens. A VOTE FOR JEFFRIES IS A VOTE FOR GOOD GOVERNMENT.

A PROCLAMATION

I, W.P.Brion, Mayor of the Town of Miami Shores,
do proclaim Armistice Day, November the 11th, a
legal holiday in the Town of Miami Shores, in
recognition of the ending of the

GREAT WORLD WAR

I request that all business be dispensed with as
far as possible, and the day be spent in prayer
and rejoicing for our deliverance from this great
strife.

 M A Y O R

* *

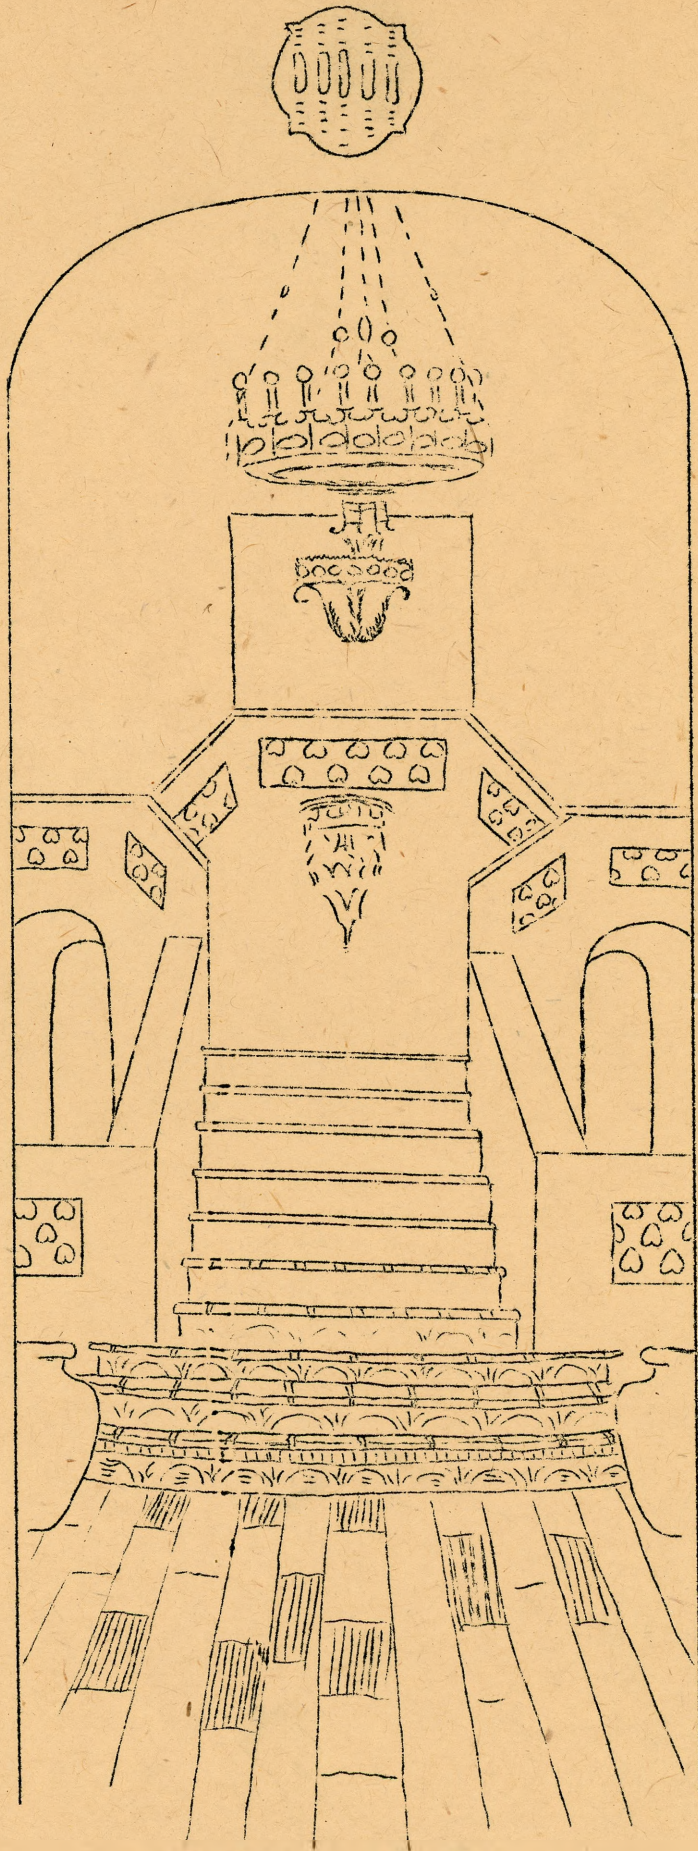

To-day we rejoice over the memory of that glad, mad day of
nine years ago when the World War ceased, and our thoughts turned
from the trenches, and loved ones in camp, on the seas, or over
there, back to the thoughts of peace. As we pause this morning for
a brief two minutes to do honor to those who fell in that conflict,
and in prayer to the Almighty, to deliver us from any such another
war, we have cause in Miami Shores to utter another prayer, one of
real thanksgiving for the accomplishments of the past year.

As we enter into the gaiety of the events of to-day let us be
very thankful that we have emerged victorious from a difficult summer,
that we have this magnificent new building to grace our Town, and to
house our community welfare; and that we have here the finest Town,
the finest people, the finest climate on the face of this old war
torn World!

INCLUDE CAKE AND MAYONNAISE

BY

THE ARCH CREEK
BAKERY

- ARMISTICE DAY PROGRAM (CONT'D)
- 12:00 Noon BARBECUE DINNER prepared by "Dad" Wiggins, Florida's greatest barbecue cook.
- 1:00 P.M. FIRE DRILL CONTEST - Thrills galore - see the fire departments race against time, for glory! And the championship of Southern Florida. THE FIREMEN'S BAND OF MIAMI - 25 PIECES - WILL BE present and play throughout the remainder of the day.
- 3:30 P.M. POLICE PISTOL SHOOT - 4 Departments competeing.
- 4:00 P.M. BASEBALL GAME - MIAMI SHORES vs. NEW ELECTRIC ICE
- 6:00 P.M. MORE BARBECUE - EAT IT UP FOLKS - It's GOOD!
- 7:00 P.M. FIREWORKS - 45 PIECES - Just before last number the new street lights of Miami Shores, installed in record time, will be turned on.
- 8:00 P.M. DANCING AT THE TOWN HALL - FRANK NOVAK'S ORCHESTRA
The spirit of Mardi Gras will prevail. Afternoon prizes will be awarded during the evening's fun.

The American Legion and the Firemen, together with the Town Council, wish to use this space to extend to everyone who has contributed to the success of the Armistice Day celebration their sincere appreciation.

Particular attention is called to the generous spirit that prompted Julius Dammenstein, Miami Jeweler, to donate many prizes and give liberal discounts on others.

The generosity of the City Manager of Miami, Chief Coleman, and his department, in sending the Miami Firemen's Band shows the splendid spirit of friendship and co-operation ever existing in the Miami City Hall.

The local authorities consider themselves fortunate in being able to obtain the services of Frank Novak's Chicago-Miami Orchestra as it is recognized as one of the best in the Southland. The Legion will sell streamers, confetti, and other mardi gras novelties to the dancers. There will be no admission charge for the evening's dancing.

All who attend the celebration are urged to partake of the great Barbecue Dinner the Legion and Firemen have provided at the main corner of the Town. "Dad" Wiggins, famous Barbecue Chef has worked long and carefully to make this the masterpiece of its kind.

The fireworks will be centrally located for all to see. The turning on of the new lights will be a real event for the Town.

STREET LIGHTING AGREEMENT IMPROVED

Prior to the Special Election on the Electric Light Question there was considerable discussion over Section 6, Article 3 of the Street Lighting Agreement. It was said in objection to this clause, that the Street Lighting Agreement would, at the expiration of the five year period, be automatically extended for an additional five years, if the Town should require the Company to install additional street lights within two years prior to the expiration of the five year period, providing such additional extensions amounted to twenty percent of the number of street lights served by the Company at the beginning of that two year period.

The Mayor and the Council were successful in their efforts to remove any danger of such an automatic extension by, securing the following letter at the time of granting the Franchise and the execution of the Street Lighting Agreement:

Honorable Town Council,
Town of Miami Shores,
Miami Shores, Florida.

Gentlemen:

This letter is in confirmation of our verbal understanding reached at an adjourned regular meeting of the Town Council of the Town of Miami Shores, November 1st, 1927, at 2:30 P.M., as to the interpretation of Section 6, Article 3 of that certain Street Lighting Agreement entered into concurrently herewith, between you and us.

We interpret this clause to mean that in the event you, as the Consumer under said agreement, exercise your option to cancel said Agreement at the expiration of five (5) years from the date hereof as provided in the first paragraph of Section 6, Article 3 of said Agreement that the provisions in the first paragraph of said Section 6 as to the extension of the term of this Agreement in case we are required to install or serve additional street lights at any time, or from time to time within two (2) years prior to the expiration of said Agreement, shall not apply, it being our understanding that such provisions only apply in the event you do not exercise your option to cancel this agreement at the expiration of five (5) years from November 1st, 1927.

In other words, the first paragraph of said Section 6 as to the extension of the term of said Agreement in case we are required to install or serve additional street lights at any time or from time to time within two (2) years prior to the expiration of said agreement, is only applicable during the ninth and tenth year of said agreement, and not applicable during the five (5) year period.

If the foregoing correctly expresses also your interpretation of Section 6, Article 3 of said Agreement, kindly so indicate in the space provided below, on a duplicate copy of this Agreement sent you herewith and return same to us for our files.

To the letter is signed the name of Joe Gill, Vice-President of the F.P. & L.Co., Mayor W.P. Brion and Attested by the Town Clerk.

Mrs. Mary A. Brasher, Town Clerk, issued the following ballot yesterday at the Town Hall, showing the complete list of candidates, and the positions which the names will occupy on the official ballot November 22nd.

STARTING THIS WEEK

Knights of Pythias and Pythian Sisters

In the month of March 1915, J.W.Wiggins, G.A.Douglass, E.R.Brion, G.D.Fleming, and perhaps one or two others, who were Knights of Pythias, deemed it advisable to organize a Pythian Lodge in Arch Cree. After holding several meetings of the citizens of the town, and having secured twenty-five names on an application for Dispensation it was formally determined to organize. Accordingly, after having sent the application to the Grand Lodge of the State, on April 3rd, 1915, a Dispensation was granted to Booster Lodge Number 132.

In due time the Lodge was instituted with the following officers: J.W.Wiggins, Past Chancellor; E.C.Patterson, Past Chancellor; W.P.Brion, Past Chancellor; George M. Bennett, Past Chancellor; E.R.Brion, Chancellor Commander; G.A.Douglass, Vice Chancellor; J.W.Wiggins, Prelate; G.D.Fleming, Master of Works; August DeWinkler, Keeper of Records and Seals; A.Slone, Master of Finance; W.P.Douglass, Master of Exchequer; E.C.Patterson, Master at Arms; A.J.DeWinkler, Inner Guard; and C.D.Bolton, Outer Guard.

The new lodge was installed by Bay Biscayne Lodge Number 31, of Miami, Frank Baker, Chancellor Commander, on April 13th, 1915. In honor of this occasion one of the largest chicken dinners ever served in South Florida was given by Booster Lodge to their guests from Bay Biscayne Lodge.

The lodge worked under a dispensation until March 22nd, 1916, when a Charter was granted by the Grand Lodge of the Domain of Florida. The following names may be found upon that charter:

E.R.Brion, J.W.Wiggins, E.C.Patterson, G.D.Fleming, A.Slone, Geo. M. Bennett, W.P.Douglass, A.J.DeWinkler, E.D.V.Burr, D.C.Barber, G.A.Douglass, A.DeWinkler, J.R.Dale, C.D.Bolton, W.P.Brion, and W.M. Bennett. Of this list W.P.Douglass and G.A.Douglass are deceased; seven have transferred to other lodges, and seven remain in the active membership of the lodge.

From the date the dispensation was granted to the present day Booster Lodge has only twice failed to open lodge because of a lack of quorum. During the World War eleven out of the membership of thirty-two were in the service. Those who remained at home were so active in promoting the interests of our nation that the Supreme Lodge of the Nation granted Booster Lodge a certificate for war service.

Altho nearly every member of the Lodge has done much to advance the work of Pythianism in this vicinity, four names stand out as having done a little more than their "bit". These are J.W.Wiggins, W.P.Brion, A.E.Bulger and J.H.Gribble. J.W.Wiggins holds the best record for attendance as well, he having missed only one meeting in all of these years, except when called out of the County.

During the last seven years the lodge has grown from a membership of 32 to 151, and ranks as one of the most aggressive lodges in the Southeast Coast section of the State.

No member of the lodge or citizen of the community has ever appealed to the lodge for help without receiving aid or assistance. The spirit of Friendship which the name of Pythias suggests in its relationship to Damon, has always characterized Booster Lodge and its members. This spirit has made its impress upon the community as a whole and our present town is better for the foundation thus laid.

THE TAX SUITS

"There is no cause for alarm over the recent litigation begun by the Tatum's Ocean Beach Park Company and the Normandy Beach Development Company", said Mayor Brion yesterday at the Town Hall.

The validity of the incorporation of the Town has not been questioned in either of the suits according to Mr. Brion, nor has the general power of the Town to levy and collect taxes been denied.

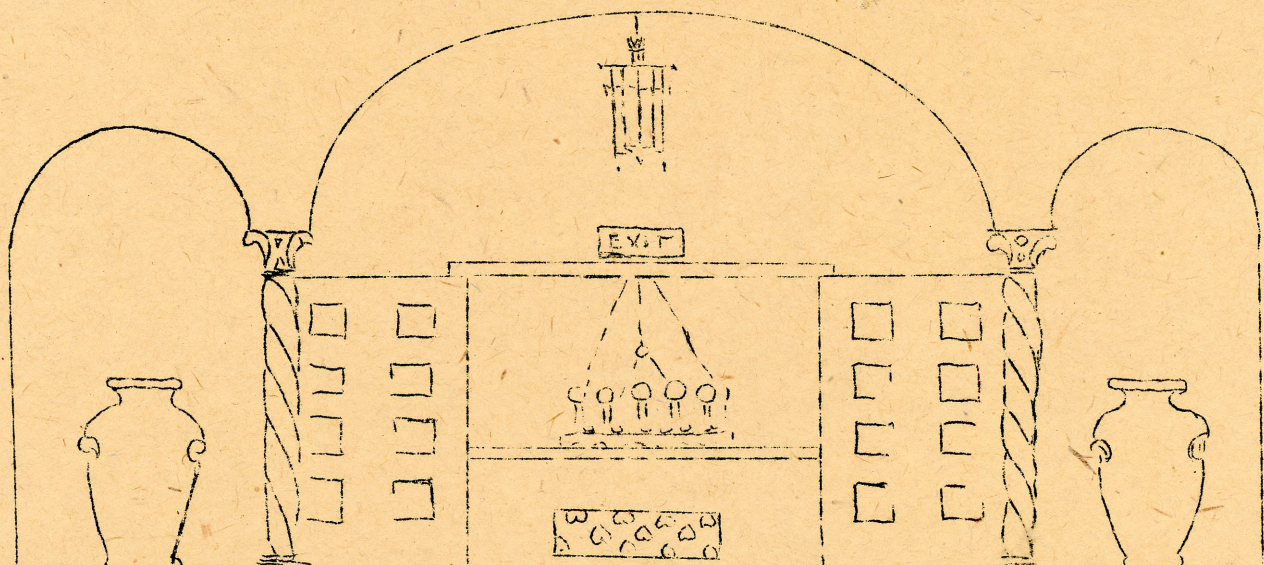

The most that the Beach interests can accomplish through the Court proceedings now pending is a few month's delay in the issuance of tax certificates, stated the Mayor. "There is no danger of the Beach property evading or escaping payment of Town taxes of the Town of Miami Shores", he concluded.

* * * *

INDEPENDENT PARTY ISSUES BULLETIN

The following Bulletin from the Independent Party headquarters was issued late Thursday:

"Candidates of the Independent Party held another interesting meeting Wednesday evening in the Weinbrenner Building. All reports received indicate that the political situation continues very favorable to the Independent Party. Candidates expressed regret over the tax muddle, but declined to discuss the question of responsibility at this time. No uneasiness is felt over the flood of new candidates who decided at the eleventh hour to enter the field, for it is believed that all voters of the Town who wish a change in administration will realize that no change will ever come about if their votes are scattered among all these candidates. It requires united opposition to overcome any administration. For this reason the Independent Party made every effort to present a ticket that all could agree on. The only possible way to secure a change in Town government is for the voters to give the Independent Party united support, without regard to the personal qualifications or the motives of these new candidates, who cannot be elected and whose candidacies are merely an aid to the present administration." The above statement has attached to it the names of the several candidates of the Independent Party, but owing to the fact above stated that it is the PARTY not the individual to be voted for, and since the "BULLETIN" has published these names a half dozen times before, we are going to leave them off this time.

NOTES OF INTEREST

This issue of the "Bulletin" has been produced through the joint efforts of the American Legion Post, the Volunteer Firemen, and the "Bulletin" staff.

The joint committee of the Legion and the Firemen, sponsoring to-day's celebration, will receive fifty percent of the total amount of the advertising in this issue, outside of the regular weekly ads and contract advertisements.

The Biscayne Park Michigan Club held their annual "Blow Out" on November the second at the Antilla Hotel, Coral Gables, where a delightful seven course dinner was served.

The remainder of the afternoon was enjoyed at the Olympia Theatre as the guests of Mrs. J.B. Eberling. Those present were: Mrs. Louise Harrington, Mrs. Curtis Brown, Mrs. Arthur Wagener, Mrs. W.P. Shappell, Mrs. Herman Winters, Mrs. Frank Clark, and Mrs. J.B. Eberling.

The Club has enrolled two new members, Mrs. Moe and Mrs. Griffith.

Mrs. Clark entertained the Club on November 8th at her home. Prizes were awarded to: 1st, Mrs. Eberling; 2nd, Mrs. Clark; 3rd, Mrs. Wagener; and Consolation Mrs. Harrington. Mrs. Griffith won the evening drawing prize. Mrs. Curtis Brown will entertain the Club on November 15th.

HARMONY PARTY GAINING GROUND, REPORTED

Harmony Party leaders report that they are everywhere being met with assurances of faith in the principles of the Party. The outstanding figure in the entire election race, they state, is Mr. J.B. Jeffries, the standard bearer of the Harmony Party.

One leader states, "Mr. Jeffries' record of achievement during his eighteen months of office on the Council, when situation after situation of a critical nature was calmly met and handled by him in his quiet, unobtrusive manner, makes him a true choice for the highest executive position the Town has to offer."

CHRISTMAS BAZAAR PLANNED

The Ladies' Aid of the Community Church are rapidly completing their plans for their annual Christmas Bazaar to be held at the K. of P. Hall on December the 9th. Do your Christmas shopping here!

School Page

The Arch Creek School of District Number 4 has a splendid record of achievement through the many years of its existence, it being one of the oldest schools in Dade County.

The present school building was erected a number of years ago, it being preceeded by a frame structure which has been remodeled and now houses the various activities of the Knights of Pythias and the Pythian Sisters. Miami Shores' present Mayor, W.P.Brion, was the contractor who erected the present building and later built the addition to it. The building contains six rooms and an auditorium, and is supplemented by six of the famous "portables" school rooms, which became necessary during the Boom period of Florida's growth. In one of these is located the school library, and in another the school cafeteria, which is maintained by the Parent-Teachers Association.

Some months ago the School District voted approximately Three Hundred Thousand Dollars in bonds for the erection of a new building here, and for the purchase of plots of ground for future schools in other parts of the District. At the present time there is but one other school building in the District, located at Fulford about three miles north of the local building.

Recently the Dade County School Board authorized the completion of the plans for Miami Shores' new building, and work is to start within the next 60 days on the structure. It will consist of 28 rooms and an auditorium, and will be built in the typical Florida-Spanish style of architecture.

It is anticipated that the new building will not only house the Junior High School, but will also have the Senior High School grades for all of the territory North to the Dade County line. These students at present attend either Miami City High or Lemon City High.

The student body now is 210 pupils of the grammar and Junior High grades. The Primary Department has the following faculty members who teach the grades listed:

Mrs. Towles, 1st; Miss Hamilton, 2nd and 3rd; Mrs. Jones, 3rd, 4th and 5th; and Mrs. Lott, 5th and 6th.

The Junior High teachers are: Mrs. Edgar Lane, Mrs. David C. Orth, Mr. Holton, and Principal Wagner.

Under the leadership of Principal Wagner sight reading tests have become a popular part of the school curriculum, and together with the Wilson language error test, has repeatedly shown that the local teachers are accomplishing excellent results in these branches.

The Junior High students have several clubs, one of the most popular being the Journalism Club, founded by Professor Lane at the opening of the present school year. The Club has student officers and is under the supervision of a member of the faculty. From week to week the school news is prepared by assignment among the members of this organization and is printed in the "Bulletin". The following contributions were received this week:

NEWS NOTES

Sarah Bustin has returned from the North and will start school next Monday.

The Seventh Grade entertained in Chapel Wednesday morning with an original Fashion Play. The cast follows:

Julia Schaefer, Esther Griffing, Francis Hill, Edith Benson, Harriet Marcoux, and Ruth Nasholm. All of the Junior High enjoyed it very much.

Gretchen Donaldson won a \$5 prize at the United States 4 H Club Exhibit in Chicago for making a night gown.

----- Written by Ruth Benson.

Fred Stedding, popular member of the Student body, was very seriously injured Monday when run down by an automobile. The many friends Fred has in faculty and student body are earnestly hoping for his recovery.

The Junior High Dramatic Club presents two plays, "The Triumph of Pauline" and "The Man Under the Bed", at the Miami Shores School Friday November 18th at 8 o'clock. Admission - Children 10¢, adults 25¢. The characters in the first play are:

Carl Matusek as John Winthrop; Don McCorquodale as Professor Theophilis Jibway; Pauline Marcoux as Pauline; Rosalie Dumont will be played by Laura Davies; Mary by Edith Benson and Bridget by Eileen Bridges. The Characters in "The Man Under the Bed" will be: Ruth Benson as Evelyn, Jean Hill as Winifred, and Eugene Hundley as "The Man". Both plays are peppy, and each contains a deep, dark mystery! Pop corn and candy will be sold between the acts. The aim of the school is to raise \$300 for athletic equipment and additions to the school library.

Everyone is working hard to raise this much needed money and hence the patronage of the general public will be greatly appreciated.

----- Written by Carl Matusek.

PARENT - TEACHERS ASSOCIATION NOTES

The following mothers have been selected to represent the various grades: Mrs. William Griffiths, 1st; Mrs. Norman McCorquodale 2nd and 3rd; Mrs. W. Lynde 4th; Mrs. V.J. Posey 5th; Mrs. C.I. Donaldson 6th; Mrs. L.S. Rhill 7th; Mrs. R.E. Truesdale 8th; Mrs. J.E. Marcoux 9th. The grade mothers are also members of the executive board.

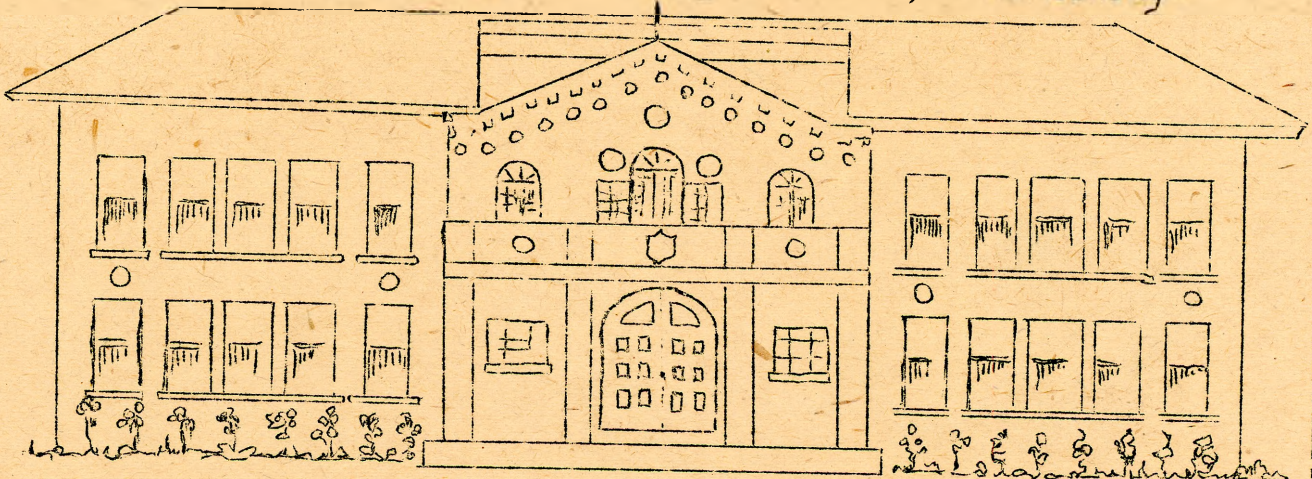

"Mother's Day" was appropriately observed throughout the school. The lower grades enjoyed short programs, suitable to the occasion in the rooms, and the Junior High classes celebrated with addresses and readings in the assembly hall.

Mr. Carl Wagner, Principal, states that as a result of the fire drills the school is emptied in less than forty-five seconds.

There are now about five hundred and fifty volumes in the school library which was started late last year. It is expected that

*Old Arch Creek School
Number 9*

*Soon to be Replaced With
\$150,000 New Building*

A card index system will soon be in operation for the better classification and cataloguing of the books.

A Thanksgiving entertainment will be given in the auditorium of the school on the Wednesday before Thanksgiving. The program will be rendered by the pupils of the school under the direction of the teachers. A small admission fee will be charged for the benefit of the school library fund.

* * * *

A meeting of the executive board of the Parent - Teachers Association is called for Monday the 14th at three p.m. at the Miami Shores School.

* * * *

BETSY ROSS CLUB TO REPEAT MINSTRELS

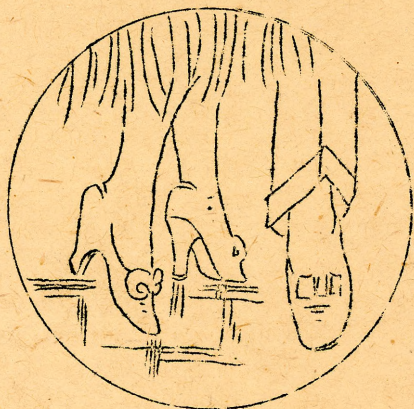

Mrs. Henriette Lynott, a local member of the cast of the Betsy Ross Club Minstrels, which played so successfully a few weeks ago, announces that the Club will repeat the performance for the benefit of the many who did not have an opportunity to see it previously, on the evening of November 25th, at the Club Rooms 420 S.W. 8th. St, Miami.

* * * *

BENEFIT BRIDGE PARTY

There will be a benefit Bridge party at the home of Mrs. A.W. Ritter, 124th St and Dixieanna Avenue, Miami Shores, on next Tuesday from two to four o'clock.

124th. St. under the old numbering was known as Tenth Terrace. The Daughters of America are rather largely represented in the Town, the nearest lodge being, however, at Little River.

*Here's hoping, Boys, for
your success on your

OPEN LETTERS

Editor Bulletin:

I am informed by some of my friends, who are interested in the coming election, that it is reported around our town that I have attempted to persuade candidates to announce themselves for office other than the regular candidates announced by the Harmony and Independent Tickets, and I wish to emphatically deny that I have promised any support to any man outside of the one Harmony ticket, except Mr. Davidson who is running for Marshal.

I don't mean to make any statement here as to who I am going to vote for, as I am not sure that I know exactly how my ticket will be marked, for I expect to take into consideration everything, that in my opinion, will work for the best interests of our town, all conditions considered, and will cast my vote accordingly.

I regard it as not beyond the bounds of possibilities that some of the candidates whom I now favor, may, in my opinion, forfeit their right to my vote between this date and the date of election.

Very truly yours,

November 9th, 1927.

* * * * *

Editor Bulletin:

I have given the present political situation in our Town a great deal of study both day and night for the past weeks and I am convinced that there has not been in the past, nor is there likely to be in the future, a time when the voters of our community should exercise more care in selecting the candidates for their support at the coming election.

I have no personal interest beyond the desire to be a citizen that can be classed as 100% -- that is to say -- I have only the best interests of the town at heart. I am not running for any office nor am I asking, nor do I intend to ask, any favors of any of our municipal officers.

In summing up the acts of the Council during the past year, I am thoroughly convinced that the many mistakes that have been made by our administration could be laid to the conniving and political domination of a little clique formed by Messrs. Morgan, Daugherty and McDonald, within a few months after our town was incorporated. These men, in my opinion, have at times, in order to gain the influence of the Council, granted minor matters to certain Councilmen and thereby threw "corral dust" into the eyes of some of the innocents of the Council, who were lacking in Tammany experiences, of which Mr. McDonald and Mr. Daugherty were past masters.

You haven't sufficient space in your Bulletin to permit of my setting forth the many extravagant, ridiculous and questionable expenditures that have been authorized by our Council during the past nine months, most of which can be traced in their origin back to Daugherty and Morgan, or both, it is my opinion. Morgan, now after being reported by some of his best friends to have refused to run for office at the coming election, now qualifies at the last minute, and announces himself as a candidate for Council, not that he hopes to be elected, for, in my opinion, he has no right to hope for any votes outside of his own family and of Daugherty and McDonald. Now, why did he come out? I can only analyze it this way, that his sole hope is to elect Mc Don-

-ald and to bring sufficient influence to bear to keep Daugherty in the cabinet another year, believing that with Daugherty to continue to distribute the "corral dust" and with McDoanld's assistance, that he may be able to cover up the mistakes of the past and manipulate the future to his own best interests and to the best interests of his Tammany clique.

Very truly yours,

W.A. Riddle

P.S. Far be it from me to throw any mud, but I simply could not resist expressing my opinion as to Morgan's candidacy and his cohorts.

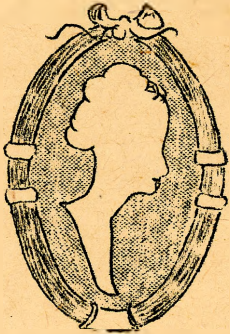

* * * * *

Editor Bulletin:

Perhaps a word or two, from just a plain citizen like myself, relative to the candidates seeking election November 22nd, would be of value in helping our citizens, who have not availed themselves of the opportunity as I have, to study the men now seeking election. If attendance at Council Meetings is any criterion of my interest in the Town, in as much as I have attended probably more Council Meetings as a citizen than any other citizen not in the employ of the Town or holding political office, than it truly can be said that I am interested in Miami Shores.

I do not aspire to hold any political office paid or otherwise but I am vitally interested, as every citizen should be, in the men that we are to select to rule and govern our destinies in the future.

Mr. J.B. Jeffries is a candidate for Mayor. The only possible objection one might raise against his candidacy, and the only one that has been raised by his opponents, is the fact that he is not a resident of the Town of Miami Shores. His record is a bronze tablet. It stands out that you may read it. I am proud of him.

Rosetta Bldg.

Mr. Earle Morgan, President of the Council is a candidate for re-election as Councilman. He is fearless and strong. As Councilman he has nothing to gain except the esteem of his fellow men. As Councilman he will give us a service that money cannot buy. He is not a candidate by choice, because he knows only too well the personal sacrifices of time which he has made as President of our Council and by reason of his conscientious nature will continue to do so. He is a candidate, in a measure a conscript, for it was only at almost the eleventh hour when through urgings of his many friends that he consented. One cannot help admire a man who endeavors to protect the tax payer by eliminating all superfluous, petty, political jobs. He does not seek political fame through petty political patronage. Would to heaven that there were more men like Earle Morgan.

Mr. C.A. MacDonald is a candidate for re-election to the office of Town Marshal. He came to us as Marshal at a time when men of his type and caliber were at a premium. No real estate salesman wanted so to humble himself as to take such a job. You all remember him and his valorous self-sacrificing work during and after the September 1926 Hurricane. You all know that thru his untiring efforts we have a volunteer Fire Department that is second to none in the State and I am confident that the results of Armistice Day will bear witness to that fact. And one could go on mentioning a number of accomplishments directly attributable to "Mac" as the moving factor in the lines of civic interest and betterment. Had he ever been derelict in duty we would have heard of it through official channels long ago. We therefore conclude that he has given us an efficient service as our police officer. His record speaks for itself. Let us give him our vote of confidence.

Respectfully yours,

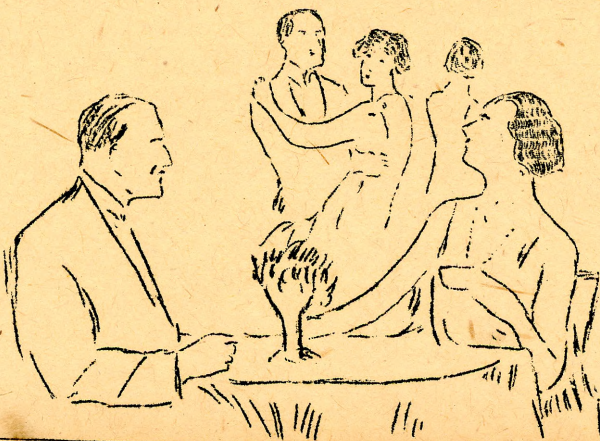

J. J. Louie

* * * * *

To Editor of Miami Shores Bulletin:

The Election of officers for Miami Shores is now so near at hand and the campaign issues are so well known to the majority of the people in Miami Shores, that it seems useless to go into a deep discussion of the various pertinent issues. The voters are, however, often misled by slight details while the major issues are left clouded.

The first issue is the question of Home Government. We believe that the mayor of this Town should be a resident of this Town. We hold no brief against Mr. Jeffries as a candidate. We have not made a deep study of his political operations in Miami Shores for the three years

*The Social Season
is at Hand*

Permanent Wave

*Miss Lockwood's
Permanent Wave Beauty
Rosetta Shoppe Building*

he has been connected with politics, but just as our fore fathers re-
sented taxation without representation, so do we resent representation
in our highest office by people who are not citizens of the community.

The next issue is that of Economy and Progress. This group of
men pledge themselves for economy as a direct contrast to those who for
the last two years have been som free with the Community's money. It
is not my purpose in this article to dwell on certain phases of this
well known to those who have been taking a modest interest in Miami
Shores business affairs, but if there be any man who questions that
our money has been spent loosely, I would have him refer to the records
which are open to him at any time, to see whether he can conscientious-
ly cast his ballot for a continuance of such expenditures. The independ-
ent party, while upholding the principle stated above, has offered no
relief to the situation.

The third party automatically started itself to alleviate these
conditions, and to pick from both political factions the best men to
operate a consistent schedule of economy and progress. Economy, because
there is a crisis in financial conditions in our Town which must be
met by clear thinking, decisive action, and unswerving loyalty to the
best interests of the town. The efforts of these men, if elected, will
also promote progress in the way of manufacture, and along this line
will work hand in hand with the Chamber of Commerce. We also feel that
a determined effort to bring the traction line from Miami to Miami Sh-
ores would be crowned with success, and be of unestimable value to our
citizens, as the cheapest fare from Miami Shores to Miami is now 20¢.
We believe that there is not so much standing in the way of this as
obstacles which confronted us when we were fighting out with the school
board our demands for a new school building and the establishment of a
high school.

Next week we will prepare a further and more detailed article on
our views, and will state all the candidates which have been selected
for the support by those who believe in the above principles of City
Government.

(Signed) P.S.YOUNG

(Signed) L.H.Browning

* * * * *

Editor of Miami Shores Bulletin:

As election day approaches I would like to call attention of the
oters to Philip S. Young, who is heading the ticket for our Party.

Mr. Young was born November 8th, 1888, in Pittsburgh, Penna., son
of the late Judge Jas. S. Young. He went to the public schools in Pitts-
burgh, and later to Washington and Jefferson College, where he gradu-

Sales

Service

E. MURPHY

DISTRIBUTOR

HARLEY-DAVIDSON MOTORCYCLES

2100 W. Flagler

Phone 32223

ated in 1911. After graduation he took up the study of law at the University of Pittsburgh Law School.

Instead of following the Law, however, he took advantage of an offer to go into the Steel business with the U.S. Steel Corporation. At the time of the World War he was married and had two children, but offered his services to the Country. However, on account of the important position which he held in the making of steel for the army, his enlistment was turned down and he was told he would help more by making of munitions. During the War he was Assistant Superintendent of the large steel works, whose entire product was used at the front.

Before he had reached the age of 30 he was Superintendent of Open Hearth (the department of steel work where all steel is made) for Jones & Laughlin Steel Company, at that time the largest independent steel company in America.

Leaving the steel business in 1921 he went into the electric contracting business, in which he was engaged as President of his Company, until he came to Florida in 1925.

Mr. Young's administrative powers are great, and those of the citizens who attended the mass meeting for the new school will testify on his ability as an Executive at the meeting. The School Committee which went down to see the County School Officials tell me that Mr. Young as Chairman of the Committee was largely instrumental in obtaining for us our new Senior High School, and a school building which will be the finest in Dade County, on which plans are now almost completed, and on which ground will be broken within the next sixty days.

In heading our ticket with Mr. Young, we feel that we are securing the services of a man with whom it will be safe to place the City's financial decisions for the coming year. This year more than any time do we need clear thinking and aggressive merit. He is a member of our community, a tax payer, and is bound by no political strings to any group of men or financial organizations.

In this ticket which we have tried to make an embodiment of the best qualities of both parties, we are glad to secure his services to head our organization.

Yours very truly,

H. A. Browning

FELLER VOOTERS UV MIAMI SHORES:

Our champagne was spinnin along like a top when like a torpedeer out uv a cleer sky cum the bad news. The same as all other hooman machinees, me internal wurks don't differ frum the ballance. Wot wid eatin three square meels a day and wastin me energee arguin wid a lot uv contrary vooters who kant see anything, me system got all run down.

After makin the roonds uv the best dokters in Miami, the consensos of opinion among the meddikal fraternnity is that I wuz first sufferin frum a nervooz brake doown which culminated in sumthin like the epizooticks.

One grate learned man uv the prifission sed, coupled wid the above me brain wuz undoubtedly out uv playce. This, he sed, cum frum pilin extraordinnerry work on a highly nervoos sustem sich as I hev bin compelled to do durin the champayne an tryin to cipher out the moskitoo trap toghether.

He recommded me to go to the high altitudes in the interior uv the stayte where the weight of gravvity pressure wud be relaved. It wud, he sed, allow the brain to be shook back in playce. This learned man uv hooman science sed this yere is a series operrashun to go thru, fer, to quote him, - he sez there is a lot uv spayce in a good menny peeples heds which when bein shook is liable to explode.

It is beyant the comprhenshun uv the hooman mind wot these yere dokters know. Once I seen a feller wot wuz leanin on his hammer handell awatchin a guy driv a soike in a cross tie. A slivver uv stale flew into the fellers eye wot wuz supportin the handell. A dokter tuk the eye out, scraped off the sliver of stale and put the eye back agin an the feller can see like usuool.

Bein as the Irrational Party looses its leader the way I explainne the whole parrtie hez decided to withdraw frum the rayce and asks me to make this pooblic announcement.

Respectfully submitted,

Michael Marty O'Toole

TOWN CLERK ISSUES LIST OF VOTERS AND POLL TAX STATEMENT

Town Clerk Mary A. Brasher issued the following list of voters this morning at the Town Hall. After each name is listed the record of poll tax payments for 1925 and 1926. Mrs. Brasher also called the attention of voters to the fact that those who have paid their poll tax, but who have not as yet registered, will have only until the 17th of November to do so, to be eligible for the General Election on Nov. 22nd. The last day for paying of poll tax was October the 29th. The statements recently received by voters concerning their 1927 poll tax does not refer to our local election on the 22nd.

If you are not properly listed on the above list of voters it is suggested that you call at the Town Hall with your tax receipts and have your name properly filed, and the payments so listed. Many of our citizens have paid their taxes at the office of Bob Simpson, the County Tax Collector in Miami, and thus are not recorded here as having paid.

May we again call the attention of the citizens to the need of registering if their names are not on the above list -- it being the list of REGISTERED VOTERS now on the books of the Town Clerk of the Town. Last day for Registration is Thursday, November 17th.

Boy Scouts

During the month of December last year, the local school faculty under the leadership of Principle Wagner, sponsored a Father and Son Banquet at the Arch Creek School. Every seat was taken, and every father and every son ate the well prepared dinner with a heartiness that revealed the eternal boy in man! Dr. R.N. Merrill made the address of the evening, and at the close of his inspiring speech, the toastmaster, Mr. Earle Morgan, called on a number of parents for short addresses. Spontaneously there arose a demand in those speeches for a troop of Scouts in Miami Shores, Mr. Philip S. Young striking the keynote, and a number of others joining in. Mr. Earl Henshaw, who had been the Scoutmaster of old Arch Creek Troop # 1 some years previously, was called upon and outlined not only the possibilities of Scouting in Miami Shores, but also the difficulties to be overcome. In a comparatively few days the Town Council agreed to sponsor the new troop, and a troop committee was formed with the following members: Earle Morgan, Chairman, W.A. Riddle, P.S. Young and Homer E. McCrillus. Mr. Earle Henshaw was named the Scoutmaster, and Robert Woods and Don Henshaw, Assistant Scoutmasters.

At a meeting held some three or four weeks after the organization of the Troop, which had been numbered by the Dade County Council Number 42, Scout Executive Norsk of Miami presented the Troop Charter to Mayor W.P. Brion, who in turn delivered it to the Troop. At this time the boys demonstrated their progress in Scouting and earned high praise from the visiting Scout authorities.

Probably no troop in the history of South Florida Scouting has made such rapid advance as Troop 42. Less than a year old the troop is today near the top rating in efficiency and advancement.

Last week Friday found the troop in full force at the Central School Auditorium in Miami for the Fall Awarding Court of Honor, at which time Scout Wilbur Dale of Troop 42 received the highest award in Scouting the Eagle Badge. In addition to Dale's splendid record there are no less than three other Scouts who will attain that rank early in 1928.

Under the vigorous leadership of the Troop Committee, augmented during the year by the addition of Prof. Edgar Lane and W.F. Hamil-

T. L. GALUSHA

No Jobs Too Small ~

None Too Large ~

Box 583
Miami Shores

ton, plans were made for the erection of a Scout Hut on a one acre tract of land loaned by the Dade County School Board. The building will contain approximately 900 feet of floor space, and will be completely equipped to care for every present need of the Troop. One of the features will be a great stone fireplace at one end of the Hut to be used on rainy and cold evenings. Outside will be a typical Scout Council Ring with open air fireplace for evening pow-wows.

The troop is in a prosperous financial condition, having all of its bills paid in full, and a substantial balance in the treasury. It has paid its annual assessment for the support of Camp Pine Island on the Indian Reservation in the Everglades, and twice the troop has made use of the Camp for week end camping expeditions. Camp Pine Island is equipped with 16 large sleeping huts; mess hall and kitchen for 100 boys; headquarters building; hospital hut; latrines, showers, and a 75 foot swimming pool.

The Troop at present consists of the following Scouts: Scoutmaster, Earl J. Henshaw; Assistant Scoutmaster, George Rexford and Don Henshaw; Junior Assistant Scoutmaster, Eagle Scout Dale. The Senior Patrol Leader is Joe Davies and George Rexford acts as Scribe.

Patrol Number One: Charles Beck, Patrol Leader; Walter Fowler, Assistant; Scouts Jim Haeger, Frank Dale, Don McCorqudale, and R. True-dale.

Patrol Number Two: Lynn Henshaw, Patrol Leader; Leon Maxwell, Assistant; Scouts M. Patterson, H. Norris, J. Alcorn, and H. Schaeffer.

Patrol Number Three: Lawrence Woods, Patrol Leader; Harry Maxwell, Assistant. Scouts Q. Partee, Jim Young, B. Bromley, and Bruce Mc Corqudale.

Patrol Number Four: Drew Hamilton, Patrol Leader, Phil Nix, Assistant. Scouts G. Rexford, Clinton Beck and Fred Case.

Patrol Number Five: Eugene Hundley, Patrol Leader; Bill Fiddle, Assistant. Thurlow Chase, R. Rexford, E. Rexford and R. Green.

The Scout Committee is considering plans for another such banquet as gave birth to the Scouting idea a year ago. To-morrow night, Saturday, the monthly Examining Court of Honor of the Live Oak District, will meet in the Auditorium of the New Town Hall, with Deputy Scout Commissioner D.G. Henshaw presiding. At this time the Scouts of Lemon City, Little River and Miami Shores will be examined in the several branches of Scouting and a number of Scouts will be reviewed in their examinations for merit badges. The officials of the Troop, and the Scouts are urging everyone to attend as it is a public function. Those who have never attended a Court of Honor will have a revelation as to the ability and enthusiasm of the local Scouts.

BISCAYNE PARK ESTATES

is proud of our Splendid New Town Hall and
Fire Station, which is to be formally dedicated
on the

IMMORTAL NOVEMBER 11TH

It will be an all day celebration and closes in the
evening with a dance.

Souvenir Rose Buds for Ladies

Come early and inspect this artistic structure. Then drive
through GRIFFING'S BISCAYNE PARK ESTATES ON BOTH SIDES OF
THE DIXIE and admire the beautiful homes and harmonious
surroundings.

BISCAYNE PARK ESTATES IS ON THE BORDER LINE OF NORTH MIAMI
CITY LIMITS and the NEW TOWN OF MIAMI SHORES, but is in no
way associated with the Miami Shores Subdivision, or the
Shoreland Company.

THIS FAVORITE HOME SECTION has enjoyed a healthy continuous
growth since its inception in 1921, and as many of our
large lots (some containing fully one half acre) are sell-
ing for less than small lots elsewhere, a steady demand is
assured.

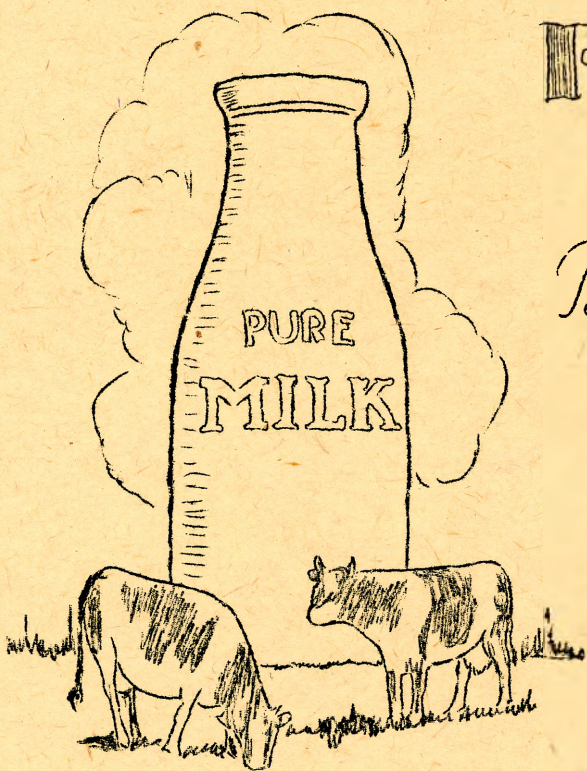

ARTISTIC AND MODERN HOMES are in demand and builders
are invited to investigate and build where folks like
to live. Plats and full information cheerfully given
at our office on the Dixie.

SUNSHINE
SERVICE

THE OX WOMAN

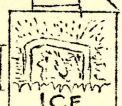

On an East Indian farm, where the crop is tea, a wooden plow turns up the rich black soil. A woman drives, another woman pulls ----- and a black ox pulls beside her.

Many American women often work as hard as their Oriental sisters. They toil at the wash tub, sweep with a broom and cook on oil stoves, -- all tasks which electricity can do better, quicker, at less expense.

Electricity releases the American woman from physical drudgery, conserves her health and beauty, and keeps her cheerful and happy.
