MADAME MARCHESI.

MARCHESI'S VOCAL METHOD

IN USE AT ALL THE PRINCIPAL MUSICAL CENTRES
OF THE WORLD.

THE DAILY TELEGRAPH says:—

"ENOCH & SONS.—Among several recent publications by this firm, none is of greater value than the 'Theoretical and Practical Vocal Method,' put forward by MADAME MARCHESI. This famous preceptress, who has taken part in the training of so many distinguished singers, speaks with high authority in all departments of the vocal curriculum; and it must needs be that any work on this subject from her pen carries with it the weight of a series of experiences almost unique. The exercises in this volume range from the elementary to the advanced, all being designed to put no undue strain upon the pupil. There is no questioning the utility of such a book as this."
