WHEN OTHER FRIENDS ARE ROUND THEE.

Con espressione.

PIANO

o - ther friends are round thee And o - ther hearts are thine, When o - ther bays have

crown'd thee More fresh, more green than mine; Then think, oh think, how lone - ly This

throbbing heart must be, Which while it beats, beats on - - - ly Be - - - lo - ved one, for

thee, Which while it beats, beats on - - - - ly Be - - - lo - ved one, for thee.

Yet

do not think I doubt thee, I know thy truth re - - mains; I would not live with -

out thee For all the world con - tains. Thou art the star that guides me A--

cross life's troubled sea, And what e - ver fate be - - tides me This heart will turn to

thee, And what e - - ver fate be - - tides me This heart will turn to thee.
